ASSIGNMENT

I, RYAN ANDREW HART of 14026 W Bunkerhill St, Boise, ID 83713, have invented devices, methods and systems entitled SYSTEMS AND METHODS FOR APPLICATION DATA AMALGAMATION, hereinafter called the "invention."

Preferred embodiments of said invention are disclosed in United States Provisional Application No. 62/712,869, filed July 31, 2018, in the United States Patent and Trademark Office. (I hereby authorize the attorneys representing Verified First LLC to insert said application number and filing date when known.)

VERIFIED FIRST LLC, a limited liability company of the state of Idaho, having a principal place of business at 1550 S Tech Lane, Suite 200, Meridian, Idaho 83642, desires to secure the entire right, title and interest therein.

For good and valuable consideration, the receipt and sufficiency of which I hereby acknowledge, I HEREBY ASSIGN TO THE ASSIGNEE:

The entire right, title and interest in said invention in the above-identified United States patent application and in all divisions, continuations and continuations-in-part of said application, or reissues or extensions of Letters Patent or Patents granted thereon, and in all corresponding applications filed in countries foreign to the United States, and in all patents issuing thereon in the United States and Foreign countries.

The right to file foreign patent applications on said invention in its own name, wherever such right may be legally exercised, including the right to claim the benefits of the International Convention for such applications.

I hereby authorize and request the United States Commissioner of Patents and Trademarks, and such Patent Office officials in foreign countries as are duly authorized by their patent laws to issue patents, to issue any and all patents on said invention to the Assignee as the owner of the entire interest, for the sole use and benefit of the said Assignee, its successors, assigns and legal representatives.

I hereby agree, without further consideration and without expense to me, to sign all lawful papers and to perform all other lawful acts which the Assignee may request of me to make this Assignment fully effective, including, by way of example but not of limitation, the following:

Prompt execution of all original, divisional, substitute, reissue, and other United States and foreign patent applications on said invention, and all lawful documents requested by the Assignee to further the prosecution of any of such patent applications.

Cooperation to the best of my ability in the execution of all lawful documents, the production of evidence, nullification, reissue, extension, or infringement proceedings involving said invention.

This assignment and agreement shall be binding upon my heirs and legal representatives.

DATED this 31 day of July, 2018.
