ASSIGNMENT	Attorney Docket No.: 45626-0002001	Page 1 of 7
	First Named Inventor: Jeffrey Gerstner	
	Title: PORTABLE MEDICAL TRIAGE KIT	

WHEREAS, we, **Jeffrey Gerstner, Jason Gotham, Joseph A. Bart, Christopher Strattner, Seth Goldstein, Guy Gioeli, Matthew Pelak, and Joshua Ray** have invented certain new and useful improvements as described in a patent application entitled **Portable Medical Triage Kit**, the application being identified in the United States Patent and Trademark Office by U.S. Patent Application Serial No. 15/499,880, filed April 27, 2017 (Att'y Docket No. 45626-0002001) (the "Application");

WHEREAS, **MOBILIZE RRS LLC**, a company organized and existing under the laws of New York and having an address of 1175 Pittsford-Victor Road, Suite 140, Pittsford, New York, 14534 ("Assignee"), desires to acquire the entire right, title and interest in and to the Application and any and all Letters Patent or similar legal protection, foreign or domestic, to be obtained therefor; and

WHEREAS, an assignment agreement for the Application was partially executed and is attached hereto as Exhibit A (the "Prior Assignment"), and the parties intend the present Assignment to correct and supersede the Prior Assignment;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, we hereby assign and transfer to Assignee, its successors and assigns, our entire right, title, and interest in and to the Application; all inventions, designs, utility models, subject matter, and creative works described, contained, or shown in the Application; all applications claiming the benefit of or priority to the Application (including without limitation divisionals, continuations, continuations-in-part, reexaminations, reissues, supplemental examinations, continued prosecution applications, post-grant reviews, *inter partes* reviews, renewals, and extensions); all applications to which the Application claims priority or of which the Application claims the benefit (including without limitation provisional applications); all substitutes of any of the foregoing; all foreign applications corresponding to or claiming priority to any of the foregoing; all Letters Patent or similar legal protection issuing on any of the foregoing; all rights and benefits of any of the foregoing under the Paris Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, the Gulf Cooperation Council, and any applicable treaty or convention, including the right to claim the priority benefit of any of the foregoing; all rights of action and damages for any past, present, or future infringement of any of the foregoing, including all rights of action and damages arising from publication or issuance of any of the foregoing; with all such rights to be held and enjoyed by Assignee as fully and entirely as such rights would have been held and enjoyed by any and all of us had this Assignment and the Prior Assignment not been made.

We authorize the Commissioner of Patents and Trademarks of the United States or foreign equivalent thereof to issue the Letters Patent or similar legal protection for any of the foregoing to the Assignee. We authorize the Assignee, its successors and assigns, and its representatives, to insert in or on this Assignment the filing date and application number of

the Application or any application to which this instrument pertains, including any further identification which may be necessary or desirable in order to comply with the rules of the U.S. Patent and Trademark Office or foreign equivalent thereof for recordation of this Assignment. We authorize the Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent or similar legal protection, in its own name or in our names, in any and all countries, regions, and territories of the world.

We represent to the Assignee, its successors and assigns, that we have the right and power to make this Assignment, and that we have not and will not execute any writing or do any act whatsoever conflicting with this Assignment. We, or our executors or administrators, will at any time upon request, without additional consideration, but at the expense of the Assignee, its successors and assigns, execute such additional writings and do such additional acts as the Assignee, its successors and assigns, may deem desirable to perfect the Assignee's enjoyment of this grant, and render all assistance in making application for and obtaining, maintaining, and enforcing the Letters Patent or similar legal protection on the inventions, the Application, and corresponding applications in any and all countries, including without limitation executing all papers, oaths, declarations, statements, testimony, assignments, powers of attorney, applications, and documents and providing any evidence necessary for the advancement of any administrative or judicial proceeding relating thereto. We will communicate to the Assignee (or at the request of the Assignee to other parties) all known facts in any form relating to the rights assigned by this Assignment.

This Assignment corrects and supersedes the Prior Assignment.

IN WITNESS WHEREOF, we have executed this Assignment on the date indicated below.

ASSIGNMENT

For valuable consideration, the receipt of which we acknowledge, and intending to be bound legally, we, JEFFREY GERSTNER, JASON GOTHAM, JOSEPH A. BART, CHRISTOPHER STRATTNER, SETH GOLDSTEIN, GUY GIOELLI, MATTHEW PEAK, and JOSHUA RAY, each individually assign to MOBILIZE RRS, LLC, a limited liability company formed under the laws of Delaware and having a principal place of business at 1175 Pittsford-Victor Road, Pittsford, New York 14534, and its successors, transferees, and assignees (collectively the "Assignee"), all of our individual and joint right, title, and interest throughout the world in the subject matter (the "Subject Matter") of a patent application that names us as inventors, is titled "PORTABLE MEDICAL TRIAGE KIT," and was filed in the United States Patent and Trademark Office on April 27, 2017, as application 15/499,880 (the "Application").

This Assignment assigns (a) the Application and all other applications that may be made for, and all patents, utility models, design registrations, and other rights of exclusion and inventors' certificates for, any of the Subject Matter (collectively the "Applications and Granted Rights") in every country or region, (b) the right to claim priority based on and the benefit of the filing date of any of the Applications and Granted Rights under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other applicable treaties or conventions, and (c) the right to pursue, collect, and retain in the Assignee's name or otherwise, damages and any other remedies arising from any past, present, or future infringement of the Subject Matter, the Applications and Granted Rights, and any other rights assigned by this Assignment.

We authorize the Assignee to apply for and pursue protection for any or all of the Subject Matter, the Applications and Granted Rights, and any other rights assigned by this Assignment in all countries, regions, and territories of the world, in our names or in the Assignee's name.

We represent and warrant that we have the right and power to make this Assignment and that we have not made and will not make any other assignment that conflicts with this Assignment.

We will communicate to the Assignee (or at the request of the Assignee to other parties) all known facts in any form relating to the Subject Matter, will execute and provide all oaths and declarations, statements, testimony, assignments, powers of attorney, applications, and

documents, and will perform all other lawful acts necessary or desirable to secure fully to the Assignee the rights, titles, and interests assigned by this Assignment.
