WHEREAS, William Chase Almond, an individual, having a correspondence address of 215 Valley Lane, Kennedale, Texas 76060 ("Almond"), is the only other joint inventor and joint owner of the Patent;

WHEREAS, Scott Collins, an individual, having a correspondence address of 215 Valley Lane, Kennedale, Texas 76060 ("Collins"), is desirous of acquiring my entire right, title, and interest in the Patent, including the right to sue for back damages for infringement;

NOW THEREFORE, be it known by all whom it may concern that for and in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I hereby assign to Collins for the territory of the United States of America and the entire world my entire right, title, and interest in and to the Patent, any patent applications filed therefor, including any provisional, design, utility, divisional, continuation, continuation-in-part, reissue, reexamination, and international applications, and any patents that may issue thereon, and including all priority rights for patent applications foreign to the United States of America, and including the right to sue for back damages for infringement, such that Collins and Almond shall be the joint owners of the Patent.

I HEREBY covenant and agree that I will at any time, upon the request and at the expense of Collins, execute and deliver any and all papers and do all lawful acts that may be necessary or desirable to perfect the title to the Patent in the name of Collins and Almond.
