AURORA FLIGHT SCIENCES CORPORATION

EMPLOYEE PRACTICES AGREEMENT

Name: Fabrizia Kunzi Employment Date: 10/7/2013

This agreement is made as of 10/7, 2013, by and between Fabrizia Kunzi ("Employee") and Aurora Flight Sciences Corp., a Delaware Corporation, (the "Company").

In consideration of my employment and the compensation paid to me by Aurora Flight Sciences Corp. or any parent, subsidiary, or affiliate companies it may establish (all hereafter collectively called "Aurora"), I understand and agree to the following provisions regarding:

A. Intellectual Property and Confidential Information

1. I agree to fully and promptly disclose to Aurora all proprietary rights (the expression "proprietary rights" means all intellectual and physical work product having actual or potential value including inventions, whether or not patentable and whether or not reduced to practice, discoveries, ideas, conceptions, developments, designs, trade secrets, know-how and tangible expressions, whether or not copyrightable, and whether or not relating to data processing, computer software systems, programs or procedures) developed or conceived by me solely or jointly with others, at any time during the term of my employment and which proprietary rights relate to the actual or anticipated business activities of Aurora, (i) designing, developing, manufacturing, marketing, selling, leasing or flying unmanned or manned aircraft or any components of or control systems for such aircraft, or (ii) any I agree to make and maintain written records of the aforesaid proprietary rights and to promptly submit the same, and supplemental oral disclosures, to my superiors at Aurora.

2. I agree to assign and hereby do assign to the Company as its exclusive property the entire right, title and interest in and to all proprietary rights embraced by Paragraph 1 above. I further agree to execute all papers, and otherwise provide all requested assistance, at Aurora's expense, during and subsequent to my employment, to enable Aurora or its nominees to obtain any patents, copyrights or other legal protection with respect to such proprietary rights as Aurora considers appropriate.
