ASSIGNMENT

WHEREAS, Rainer Häring, having a residential address of Tannenstr. 4b, Lauben, Germany 87761, Maximilian Brunner, having a residential address of Edelweißweg 41, Kempten, Germany 87439, and Florian Frühsammer, having a residential address of Spickelstr. 3, Kempten, Germany 87347, (the "Assignors"), are the inventors of a certain new and useful invention (the "Invention") relating to a:

PACKAGING MACHINE WITH HEATED GRID

for which a non-provisional application was filed on April 26, 2019 as U.S. Patent Application Serial No. 16/395,724 (the "Application"); and

WHEREAS, Assignors are the owners and in full possession of the entire right, title and interest in and to said Invention, in and to said Application and in and to any and all Letters Patent that may be granted therefor; and

WHEREAS, MULTIVAC Sepp Haggemüller SE & Co. KG, a corporation duly organized under the laws of Germany, (hereinafter referred to as "Assignee"), having its principal office and place of business at Bahnhofstraße 4, 87787 Wolfertschwenden, Germany, is desirous of acquiring the entire right, title and interest in and to said Invention, in and to said Application and in and to any and all Letters Patent that may be granted therefor; and

NOW, THEREFORE, to all whom it may concern, be it known that, for \$1.00 and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignors do hereby sell, assign and transfer unto said Assignee, the entire right, title and interest within the United States, its territories and possessions, and all foreign countries, in and to said Invention, said Application, and any and all Letters Patent that may be granted therefor in the United States, its territories and possessions, and all foreign countries, together with any and all provisionals, nonprovisionals, continuations, continuations-in-part, divisions, reissues, renewals, reexaminations, substitutes or extensions thereof, and including all rights to claim priority, and Assignors do hereby authorize and request all appropriate domestic and foreign patent or government authorities in foreign countries to issue in accordance with this Assignment any and all Letters Patent that may be granted, either on said Application or otherwise for said Invention.
