ASSIGNMENT

Pursuant to the Stock and Asset Purchase Agreement (hereinafter, "SAPA"), dated September 24, 2017, by and between General Electric Company and ABB Verwaltungs Ltd (and, solely for the purposes of Section 14.23 thereof, ABB Ltd), and for good and valuable consideration, the receipt of which is hereby acknowledged, GENERAL ELECTRIC COMPANY of 1 River Road, Schenectady, New York 12345 (hereinafter, "Assignor") does hereby sell, convey, assign, transfer, and deliver to ABB SCHWEIZ AG, of Brown Boveri Strasse 6, CH-5400, Baden, Switzerland (hereinafter, "Assignee"), who accepts, the entire right, title, and interest in, to, and under: (i) all patents, patent applications, statutory invention registrations, and invention disclosures constituting Company Intellectual Property (as that term is defined in the SAPA), including those listed in the attached Exhibit; (ii) all inventions disclosed in the patents, patent applications, statutory invention registrations, and invention disclosures of clause (i); and (iii) all patents, patent applications, and statutory invention registrations directed to any of the inventions of clause (ii) (the subject matter of clauses (i), (ii), and (iii) being hereinafter collectively referred to as the "Assigned Patent Properties"), including the right to sue for past infringement of any and all of the Assigned Patent Properties and the right to collect any and all damages for such infringement.

Assignor agrees to execute any and all papers to be filed or recorded in connection with any of the Assigned Patent Properties, including any separate assignments of any of the Assigned Patent Properties, that the Assignee may deem necessary or desirable.

Assignor hereby consents to a unilateral application for recordation of the assignment solely by Assignee.

Assignor grants Assignee's counsel (including any attorney of record for any of the Assigned Patent Properties) the power to insert on this Assignment any further identification of any of the Assigned Patent Properties that may be necessary or desirable for the filing and/or recordation of this document.

By: GENERAL ELECTRIC COMPANY

Legalization

I, the undersigned notary public, MLaw Andrea Schifferle, residing and practising in Baden (Switzerland) hereby certify that the foregoing signatures are the proper handwritings of

- **Mr. René Cötting**, born 28th of February 1970, citizen of Tentlingen FR, living in Stäfa, who has identified himself with the Swiss passport Nr. X0608331,
- **Mr. Bazmi Rizwan Husain**, born 21st of September 1958, Indian citizen, living in Zürich, who has identified himself with the Indian passport Nr. Z3114291.

Both persons authorized to sign jointly for and on behalf of ABB Schweiz AG in Zürich.

Baden, 10th of December 2018

The notary public:

A. Schifferle
