ASSIGNMENT

Lauren Rottet, residing at 1540 Kirby Drive, Houston, TX 77019 and Arne Dassen, residing at 2204 North Bristol Street, Holland, MI 49424 (individually and/or collectively Assignor) have invented certain new and useful improvements in an ARTICLE OF FURNITURE for which a United States patent application was filed on May 17, 2019, as Application No. 29/691,651.

Haworth, Inc., a Michigan corporation, having a place of business at One Haworth Center, Holland, Michigan 49423 (hereinafter referred to as Assignee) desires to acquire the entire right, title, and interest in and to the invention and all patents that may be granted therefor anywhere in the world.

In consideration of the sum of One Dollar (\$1.00), the receipt of which is hereby acknowledged, and for other good and valuable consideration, Assignor sells, assigns, and transfers unto Assignee the entire right, title, and interest in and to (a) the invention in the United States and in all foreign countries, (b) the application, (c) all provisional applications from which the application claims priority, (d) all nonprovisionals, divisions, continuations, continuations-in-part, reissues, reexaminations, substitutions, renewals, and extensions claiming priority directly or indirectly from the application including the right to claim for any such application the benefits of the International Convention; and (e) all patents that may be granted on any of the foregoing in the United States and in all foreign countries.

Assignor authorizes and requests the patent office officials in the United States and in all foreign countries to issue all of the patents, when granted, to Assignee as the owner of the entire right, title, and interest in and to the same.

Assignor agrees to communicate to Assignee or its representatives all facts known to Assignor respecting the invention; to testify in all legal proceedings; to sign all documents; to execute all nonprovisional, divisional, continuation, continuation-in-part, reissue, reexamination, substitution, renewal, and extension applications; to execute all necessary assignment documents to cause all of the patents to be issued to Assignee, to make all rightful oaths, and generally to do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper protection for the invention in the United States and in all foreign countries.
