**ASSIGNMENT**

**John Van Voorhis**, residing at 23 Church Street, North Bennington, Vermont 05257, United States of America, a citizen of the United States of America (hereafter the undersigned), is an inventor of

**LOW PROFILE WET ELECTROLYTIC TANTALUM CAPACITOR**

for which the undersigned executed an application for United States Letters Patent, U.S. Patent Application No. 16/036,162, filed July 16, 2018.

The undersigned hereby authorizes assignee or assignee's representative to insert the Application Number and the filing date of this application if they are unknown at the time of execution of this assignment.

**VISHAY SPRAGUE, INC.**, a corporation having a place of business at 2813 West Road, Bennington, Vermont 05201, U.S.A., (hereafter referred to as the assignee), is desirous acquiring and/or of confirming its previously acquired entire right, title and interest in said invention, all applications for and all letters patent issued on said invention effective as of July 16, 2018.

For good and valuable consideration, the receipt and sufficiency of which is acknowledged, the undersigned, intending to be legally bound, and effective as of July 16, 2018, does hereby confirm the sale, assignment, sell, and transfer, and/or does hereby sell, assign and transfer effective as of that date, to the assignee and assignee's successors, assigns and legal representatives the entire right, title and interest, legal and equitable, in said invention and all patent applications thereon, including, but not limited to, the application for United States Letters Patent entitled as above, and all divisions and continuations thereof, and in all letters patent, including all reissues and reexaminations thereof, throughout the world, including the right to claim priority under the Paris Convention or other treaty.

It is agreed that the undersigned shall be legally bound, upon request of the assignee, to supply all information and evidence relating to the making and practice

of said invention, to testify in any legal proceeding relating thereto, to execute all instruments proper to patent the invention throughout the world for the benefit of the assignee, and to execute all instruments proper to carry out the intent of this instrument.

The undersigned warrants that the rights and property herein conveyed are free and clear of any encumbrance.

EXECUTED under seal on this 11<sup>th</sup> day of July, 2019 at Bennington, Vermont.  
(Place)

Witness:

*Janece Bass*
