ASSIGNMENT OF INVENTION AND OF LETTERS PATENT

CHK

~~WHEREAS, I, Michael Alexander Wilkins, residing at 2520 Corydon-New Middletown Rd SE, Corydon, IN 47112, have invented certain improvements in an ICE MACHINE and have filed an application for Letters Patent therefor, namely U.S. Application Serial No. 62/701,179 filed on July 20, 2018;~~

WHEREAS, I, Charles Hunter Holwerk, residing at 1003 Wildwood Lane, New Albany, IN 47150, have invented certain improvements in an ICE MACHINE and have filed an application for Letters Patent therefor, namely U.S. Application Serial No. 62/701,179 filed on July 20, 2018; and

WHEREAS, Weller Ice, LLC (hereinafter referred to as "Assignee"), a Kentucky limited liability corporation having offices at 1000 West Ormsby Avenue, Unit 19, Louisville, Kentucky 40210, desires to acquire the entire right, title, and interest in and to said application and the invention(s) and improvements(s) therein disclosed, for the United States and all divisions, continuations, reissues, renewals and/or extensions thereof;

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt of which is hereby acknowledged, the undersigned have sold, assigned, and transferred, and by these presents do sell, assign, and transfer to Assignee, its heirs, successors, legal representatives, and assigns the entire right, title, and interest of the undersigned in and to said invention, said application, and in and to any Letters Patent(s) that may be granted therefor in the United States of America, its territories, dependencies, and possessions, and in any and all foreign countries, including rights of priority under the International Convention of Paris (1883) as amended; and to any and all utility applications claiming priority thereto and any and all divisions, reissues, continuations, continuation-in-parts, conversions, and extensions thereof for the full term or terms for which the same may be granted in the United States of America or any foreign country.

The undersigned agree that the Assignee may apply for domestic and foreign Letters Patent on the invention, and agree to cooperate with the Assignee, and to execute without additional consideration any additional documents as deemed necessary by the Assignee to apply for or maintain patents or other legal protection for the invention in any country of the world.

The undersigned agree to execute all papers necessary in connection with this application and any divisions, reissues, continuations, continuation-in-parts, conversions and extensions thereof and also to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.

The undersigned agree to execute all papers necessary in connection with any interference which may be declared concerning this application or divisions, reissues, continuations, continuation-in-parts, conversions and extensions thereof or Letters Patent or reissue patent issued thereon and to cooperate with the Assignee in obtaining and producing evidence and proceeding with such interference.

The undersigned agree to execute all papers and documents and to perform any act which may be necessary in connection with claims or provisions of the International Convention for the Protection of Industrial Property or similar agreements.

The undersigned hereby authorize and request the officials of the U. S. Patent and Trademark Office and in any foreign countries to issue any and all Letters Patent resulting from said application or any divisions, reissues, continuations, continuation-in-parts, conversions and extensions thereof to the said Assignee, as Assignee of the entire interest, and hereby covenant that they have not executed, and will not execute, any agreement in conflict herewith.

The undersigned hereby covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment.

Signed and sealed at 1:45 PM, on 8/24~~th~~, 2018.
