ASSIGNMENT

Pursuant to my obligation to THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ARKANSAS (hereinafter referred to as "Assignee"), having its principal place of business at:

2404 North University Avenue
Little Rock, AR 72207

and for other valuable and sufficient consideration, receipt whereof is hereby acknowledged,
I:

Shannon Servoss
3202 Bell Engineering Center
Fayetteville, AR 72701

confirm my obligation to and effective as of July 17, 2018, hereby sell, assign and convey,
unto Assignee, its successors and assigns, my entire right, title and interest –

(1) in and to an invention entitled "PEPTOIDS AND METHODS FOR ATTENUATING INFLAMMATORY RESPONSE" for which United States Provisional Patent Application No. 62/699,296 was filed July 17, 2018 (Atty. File No. 5965-00087) (hereinafter the "United States patent application");

(2) in and to said United States patent application, in and to all other patent applications derived from or relating to said United States patent application (including divisional, continuation, continuation-in-part, §111(b) provisional, §111(a), and reissue applications) based upon said invention, and in and to the patent or patents to be granted thereon, including reissues or reexaminations thereof, if any, to the full end of the term or terms for which said patent or patents may be granted;

(3) in and to all patent applications on said invention now or hereafter filed in countries foreign to the United States of America, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted; and

(4) in and to all applications filed under International Conventions on the invention or claiming priority to the United States patent application.

I agree that any patent applications with a claim to priority based on said United States patent application filed in any foreign countries may be filed in the name of Assignee.

I hereby agree that I will, upon demand of Assignee, its successors or assigns, and without further consideration to me, execute any and all papers that may be necessary, or deemed to be necessary, by Assignee, its successors or assigns, to a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by me.

The Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue said United States patent or patents to Assignee.
