ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, I, the undersigned,

**Zhisheng YOU**

**Hailong JING**

**Jiangping ZHU**

who have created a certain invention for which an application for United States Letters Patent was executed by me concurrently herewith and entitled:

**Three-Dimensional Real Face Modeling Method and Three-Dimensional Real Face Camera System**

Do hereby sell, assign and transfer to Wisesoft Co., Ltd., a corporation of the People's Republic of China, having a place of business at No. 7 Wujie East Road, Wujie District, Chengdu 610045, China, and its successors, assigns, and legal representatives, and to Sichuan University, a non-profit institution of higher learning of the People's Republic of China, having a place of business at No. 24 South Section 1, Yihuan Road, Chengdu 610065, China, and its successors, assigns, and legal representatives, the full and exclusive right to said invention and said application and to any and all inventions described in said application for the United States, its territorial possessions and all foreign countries, and the entire right, title and interest in and to any and all Letters Patent which may be granted therefor in the United States, its territorial possessions and all foreign countries; and in and to any and all continuations-in-part, continuations, divisions, substitutes, reissues, extensions thereof, and all other applications for Letters Patent relating thereto which have been or shall be filed in the United States, its territorial possessions and/or any foreign countries, and all rights, together with all priority rights, under any of the international conventions, unions, agreements, acts, and treaties, including all future conventions, unions, agreements, etc., and treaties.

Agree that Wisesoft Co., Ltd. and Sichuan University, hereinafter referred to as Assignees, may apply for and receive Letters Patent for said invention and said inventions, hereinafter referred to as said invention, in its own name, in the United States, its territorial possessions, and all foreign countries; and that, when requested to carry out in good faith the intent and purpose of this assignment, at the expense of said Assignees, its successors, assigns, and legal representatives, the undersigned will execute all continuations-in-part, continuations, divisions, substitutes, reissues, extensions thereof, execute all rightful claims, assignments, powers of attorney and other papers, testify in any legal or quasi legal proceedings, communicate to said Assignees, or their successors, assigns, or legal representatives, all facts known to the undersigned relating to said invention and the history thereof; and generally do everything possible which said Assignees and their successors, assigns, or legal representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said invention and for vesting title to said invention and all applications for patents on said invention in said Assignees, or their successors, assigns, or legal representatives;

Allow Assignees' attorney(s) to make any necessary corrections to this Assignment, and

Covenant with said Assignees and their successors, assigns, or legal representatives that no assignment, grant, mortgage, license or other agreement affecting the right and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
