No.: 004572.P005 (For Execution After Filing Patent Application)

In consideration of good and valuable consideration, the receipt of which is hereby acknowledged, We  
 the undersigned, David de Andrade, Ranjit Sahota

hereby sell, assign, and transfer to METATV, INC.

a corporation of California, having a principal place of business at  
100 Ebbtide Avenue, Sausalito, California 94965, ("Assignee"),  
 and its successors, assigns, and legal representatives, the entire right, title, and interest for the  
 United States and all foreign countries, in and to any and all improvements that are disclosed in  
 the application for the United States patent that was filed April 23, 2001 and assigned  
 Application No. 09/841,644 and is entitled

and in and to said application and all divisional applications, continuation applications,  
 continued prosecution applications, continuation-in-part applications, substitute applications,  
 renewal applications, reissue applications, reexaminations, extensions, and all other patent  
 applications that have been or shall be filed in the United States and all foreign countries on  
 any of said improvements; and in and to all original patents, reissued patents, reexamination  
 certificates, and extensions that have been or shall be issued in the United States and all  
 foreign countries on said improvements; and in and to all rights of priority resulting from the  
 filing of said United States application;

agree that said Assignee may apply for and receive a patent or patents for said  
 improvements in its own name; and that, when requested, without charge to, but at the  
 expense of, said Assignee, its successors, assigns, and legal representatives, to carry out in  
 good faith the intent and purpose of this Assignment, the undersigned will execute all divisional  
 applications, continuation applications, continued prosecution applications, continuation-in-part  
 applications, substitute applications, renewal applications, reissue applications, reexaminations,  
 extensions, and all other patent applications on any and all said improvements; execute all  
 rightful oaths, assignments, powers of attorney, and other papers; communicate to said  
 Assignee, its successors, assigns, and representatives all facts known to the undersigned  
 relating to said improvements and the history thereof; and generally assist said Assignee, its  
 successors, assigns, or representatives in securing and maintaining proper patent protection  
 for said improvements and for vesting title to said improvements, and all applications for  
 patents and all patents on said improvements, in said Assignee, its successors, assigns, and  
 legal representatives; and

covenant with said Assignee, its successors, assigns, and legal representatives that no  
 assignment, grant, mortgage, license, or other agreement affecting the rights and property  
 herein conveyed has been made to others by the undersigned, and that full right to convey the  
 same as herein expressed is possessed by the undersigned.
