Worldwide Assignment

In consideration of the sum of one dollar (\$1.00) or equivalent and other good and valuable consideration paid to each of the undersigned: Steve Cliffe the undersigned hereby sell(s) and assign(s) to M-I L.L.C. (the "Assignee"), a limited liability company of Delaware, having a place of business at 5950 North Course Dr., Houston, TX 77072, his/her entire right, title and interest:

check applicable box(es) : for the United States of America (as defined in 35 U.S.C. § 100),
: and throughout the world,

in the invention(s) known as SHALE HYDRATION INHIBITOR AND METHOD OF USE described and set forth in an application identified as US Provisional Patent Application No. 62/061,410 filed October 8, 2014 and International Application No. PCT/US2015/054609 (Docket No. IS14.9122-WO-PCT) filed October 8, 2015. This assignment is effective as of October 8, 2014, in any and all applications thereon, in any and all Letters Patent(s) therefor, and in any and all reissues, extensions, renewals, reexaminations of such applications or Letters Patent(s) and divisional and continuation applications thereof, to the full end of the term or terms for which such Letters Patent(s) issue, including all claims, if any, that may have arisen for infringement prior to the date of this assignment, such entire right, title and interest to be held and enjoyed by the above-named Assignee to the same extent as they would have been held and enjoyed by the undersigned had this assignment and sale not been made.

The undersigned agree(s) to execute all papers necessary in connection with the application(s) and any continuing (continuation, divisional, or continuation-in-part), reissue, reexamination or corresponding application(s) thereof and also to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.

The undersigned agree(s) to execute all papers necessary in connection with any interference that may be declared concerning the application(s) or any continuing (continuation, divisional, or continuation-in-part), reissue or reexamination application thereof and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with such interference.

The undersigned hereby authorizes and requests the government authority to issue any and all Letters Patent granted on such inventions to the Assignee.

The undersigned hereby warrants and represents that the undersigned has full right to convey the entire interest herein assigned, and that the undersigned has not executed, and will not execute, any agreement in conflict therewith.
