AND WHEREAS Krug Inc. of 421 Manitou Drive, Kitchener, Ontario, Canada, N2C 1L5 (hereafter, together with any successors and assigns thereof, called the "Assignee"), has acquired from the Assignors the whole right, title and interest for Canada, the United States of America and all other countries in and to the said invention, and in and to any Letters Patent that may be obtained therefor, and in and to said application, and in and to the right to sue for past infringement and to collect for all past, present and future damages;
