ASSIGNMENT

WHEREAS, Kristi A. Myers, an individual residing in Daytona Beach, Florida, (hereinafter referred to as "Assignor"), is the owner of Patent Application No. 15/756,964, for an aspiration apparatus and the method of using same; and

WHEREAS, Myers Devices, LLC, a Florida limited liability company (hereinafter referred to as "Assignee"), is desirous of acquiring the same;

NOW THEREFORE, This Indenture Witnesseth: That for good and valuable consideration, receipt whereof is hereby acknowledged, said Assignor does hereby sell, assign and transfer to said Assignee, its successors and assigns, all right, title and interest in and to the above-referenced U.S. Patent application, the invention or inventions therein shown and described and any improvements on said invention heretofore or hereafter made, any divisionals, continuations or continuations-in-part of said application, and all patents, United States and foreign, to be granted upon any such application or for the invention or inventions thereof, and any reissues or extensions of said patents, and to any patents and patent applications that in any way claim the benefit of or relate to the above-referenced patent application; and said Assignor does hereby authorize and request the Commissioner of Patents to issue the patent on said United States Patent Application or for the invention or inventions hereof, in accordance with this Assignment;

And said Assignor for said consideration hereby covenants and agrees that said Assignor is the owner of the full title herein conveyed and has the right to convey the same, and agrees that said Assignor will communicate to said Assignee any facts known to said Assignor respecting said invention or inventions, and testify in any legal proceedings when called upon by said Assignee, sign all lawful papers deemed by said Assignee as expedient to vest in it the legal title herein sought to be conveyed or for the filing and prosecution of all applications and patents, United States and foreign, and otherwise aid said Assignee, its successors and assigns, in obtaining full patent protection on said invention or inventions and enforcing proper protection under said patent, but in every instance at the Assignee's expense. Assignor consents to the execution of a Substitute Statement in Lieu of an Oath or Declaration which will be filed by the Assignee, pursuant to 37 CFR 1.64, should any inventor refuse or be unable to
