CONFIRMATORY PATENT ASSIGNMENT

This PATENT ASSIGNMENT (the "Assignment") is made effective as of August, 6 2015 by and among Rolf Harth, an individual resident of Baden-Württemberg, Germany; and Frank Lechert an individual resident of Baden-Württemberg, Germany (each, individually, an "ASSIGNOR", and collectively, "ASSIGNORS"); and INDAG Pouch Partners GmbH, a company organized under the laws of Germany, located at Rudolf-Wild-Straße 107-115, 69214 Eppelheim ("ASSIGNEE"). The ASSIGNORS and the ASSIGNEE are referred to herein individually as a "Party" or collectively as the "Parties."

WHEREAS, ASSIGNORS are inventors of the subject matter described in the patent applications set forth in Appendix A attached hereto (collectively, the "Patent Applications"); and

WHEREAS, ASSIGNORS were obligated to assign at the time of the invention of the subject matter in the Patent Applications and hereby desire to formally assign all right, title and interest in and to the Patent Applications to ASSIGNEE, and ASSIGNEE desires to now formally establish the assignment of the entire right, title and interest in and to the Patent Applications, improvements, and any letters patent which may be granted therefor or thereupon, together with any and all divisions, continuations, continuations-in-part, reissues and extensions thereof in all countries throughout the world;

NOW, THEREFORE, to all whom it may concern, be it known that for good and valuable consideration by ASSIGNEE to ASSIGNOR, the receipt and sufficiency of which is hereby acknowledged, the Parties hereby agree as follows:

Each ASSIGNOR hereby irrevocably contributes, assigns, conveys, grants, transfers and sets over unto ASSIGNEE, its successors and assigns, the entire right, title and interest in and to said Patent Applications and the inventions disclosed therein, and in and to any Letters Patent which may be granted therefor or thereupon, together with any and all provisional and non-provisional applications, including all rights to and in any and all legal actions and rights and remedies at law or in equity relating to the Patent Applications and any Letters Patent which may be granted therefor or thereupon, including, but not limited to, the right to sue for past, current and future infringement, unfair competition, dilution, misappropriation and any other violations with respect thereto.

Each ASSIGNOR also assigns to ASSIGNEE, all right, title and interest in and to the Patent Applications throughout the world, including all rights to claim priority (including International Convention priority) and the right to file applications and obtain letters patent, utility models, industrial models and designs throughout the world, including all rights to publish cautionary notices reserving ownership of said invention and all rights to register said invention in appropriate registries;

Each ASSIGNOR shall, without further consideration, execute and deliver any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers in

connection therewith necessary to perfect ASSIGNEE's right, title and interest in the Patent Applications and the Letters Patent assigned herein;

Each ASSIGNOR shall provide ASSIGNEE promptly with all pertinent facts and documents relating to the Patent Applications and the inventions disclosed therein, as may be known and accessible to ASSIGNOR, and ASSIGNOR shall testify as to the same in any interference or litigation related thereto, including infringement related to the Patent Applications and any and all letters patent resulting therefrom, and will promptly execute and deliver to ASSIGNEE or its legal representative any and all papers, instruments or affidavits which may be necessary or desirable to apply for, obtain, maintain and enforce the Patent Applications, the inventions therein, and any and all Letters Patent resulting therefrom; and

Each ASSIGNOR covenants that he has the full right to convey the interest assigned by this Assignment, and that ASSIGNOR has not executed and will not execute any agreement in conflict with this Assignment.

This Assignment shall be binding on the Parties' successors, assigns and legal representatives.
