ASSIGNMENT OF PATENTS

This ASSIGNMENT OF PATENTS ("Assignment"), dated October 3, 2016, is entered into by CareFusion 2200, Inc., a company organized under the laws of Delaware having its principal place of business located at 3750 Torrey View Court, San Diego, California 92130 ("Assignor"), and Kingston Respiratory 102 LLC a company organized under the laws of Delaware, with a place of business at 1 Becton Drive, MC 091, Franklin Lakes, New Jersey 07417 ("Assignee").

RECITALS:

WHEREAS, Assignor is the owner of those certain patent registrations and applications listed on Schedule A attached hereto and made a part hereof (the "Patents").

WHEREAS, pursuant to the Securities Purchase Agreement among Ariel EquityCo LP, Kingston Respiratory Corp. and Becton, Dickinson and Company dated as of March 7, 2016, and in connection with certain business restructurings as provided for therein, Assignor desires to sell, transfer, convey, assign and deliver to Assignee, and Assignee desires to acquire, all of Assignor's right, title and interest in and to the Patents.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by Assignor, Assignor hereby conveys, assigns, transfers and delivers to Assignee and its successors and assigns its entire right, title and interest throughout the world in, to and under the Patents, along with (i) any other rights, priorities and privileges provided under United States, state or foreign law, or multinational law, compact, treaty, protocol, convention or organization with respect to the Patents ("Related Rights"), (ii) all reissues, divisions, re-examinations, revisions, renewals, extensions, provisionals, continuations and continuations-in-part and foreign counterparts thereof ("Reissues"), and (iii) in each case of any of the foregoing rights, together with all rights and remedies, in law and in equity, against past, present, and future infringement or other violation thereof. Assignee and its successors and assigns shall hold the rights to the foregoing for and during the existence of such Patents and Related Rights and all Reissues thereof as fully and as entirely as the same would have been held and enjoyed by Assignor had this Assignment not been made.

Assignor hereby authorizes and requests the Commissioner for Patents (and, with respect to any equivalent foreign rights, any other appropriate foreign or international office or registrar) to record Assignee as owner of the Patents and to issue any and all Patents to Assignee, as assignee of the entire right, title and interest in, to and under the same, for the sole use and enjoyment of Assignee, its successors, assigns or other legal representatives.

Assignor agrees to take, at Assignee's expense, such further action and execute such additional documents as reasonably requested by Assignee to perfect Assignee's title in and to the Patents and to carry out and fulfill the purposes and intent of this Assignment of Patents.

Confidential

The rights and obligations of Assignor and Assignee shall be governed by, and this Assignment shall be interpreted, construed and enforced in accordance with, the laws of the State of Delaware excluding its conflict of laws rules to the extent such rules would apply the law of another jurisdiction.

This Assignment may be signed in any number of counterparts, including facsimile copies thereof or electronic scan copies thereof delivered by electronic mail, each of which shall be deemed an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

[Remainder of Page Intentionally Left Blank]

Confidential

IN WITNESS WHEREOF, the Assignor has caused this Assignment to be executed by a duly authorized officer as of the date first written above.

CareFusion 2200, Inc.

By: 
Name: David W. Highet
Title: Assistant Secretary

[[STATE OF New Jersey)
COUNTY OF Bergen)ss.
)

On Sept. 28, 2016, before me, the undersigned, a Notary Public in and for such State, personally appeared David W. Highet, personally known to me or proved to me on the basis of satisfactory evidence to be the person who executed the within instrument as Assistant Secretary (title) of CareFusion 2200, Inc., and acknowledged to me that such corporation executed the within instrument pursuant to its bylaws or a resolution of its Board of Directors.

WITNESS my hand and official seal.
