ASSIGNMENT

WHEREAS, I/WE

Ronit Roxana Fuchs an Israeli citizen of 2 Aharoni Street, 7628116 Rehovot, Israel

hereinafter referred to as Assignor, have made an invention entitled

METHOD FOR SEPARATING TARGETS AND CLUTTER FROM NOISE, IN RADAR SIGNALS

For which Israeli Patent Application no. 250253 was filed on 24 January, 2017 And for which a PCT International Patent Application no. PCT/IL2018/050091 was filed on 24 January, 2018;

WHEREAS, Arbe Robotics Ltd., of 88 Habashmonaim Street, 6713305 Tel Aviv, Israel, hereinafter referred to as Assignee, is desirous of acquiring all right, title and interest in and to said invention and the aforementioned patent application and any patent that may be granted therefor.

NOW, THEREFORE, in consideration of One New Israeli Shekel (NS 1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, We, as Assignors, hereby sell, assign and set over to said Assignee the entire right, title and interest for Israel and all other countries of the world in and to said invention and the aforesaid patent application, and all original, divisional or other applications and patents applied for or granted therefor in Israel and in any other country, including an international patent application which will be filed under the PCT and all national/regional phase applications derived from said international application, including all US national derivatives, and all patents which may be granted thereon, and the undersigned for ourselves and our legal representatives, heirs and assigns do hereby agree and covenant without further remuneration, to execute and deliver all documents required for transferring said patents/ applications to said Assignee or its assigns, to communicate to said Assignee or its representatives all facts known to the undersigned with respect to said patents/applications, whenever requested, to testify in any legal proceedings in which the said patents or patent applications may become involved, to sign all lawful papers, make all rightful oaths, and to do generally everything necessary to aid said Assignee, its successors, assigns and nominees to register the assignment of the said Patent(s) or Patent Application(s), the expenses incident to said application to be borne and paid by said assignee. This Deed of Assignment does not detract from any other assignment previously made in respect of the same matters, if any.

We further confirm that said assignment has from at least, 24 January, 2017, been of full force and effect in relation to Canada,
