## ASSIGNMENT

Whereas I, Robert J. Woods, with residence and citizenship as indicated below; have made an invention in

## CARBOHYDRATE-BINDING PROTEIN

International Application PCT/US2015/026374, filed April 17, 2015

and executed an international patent application under the Patent Cooperation Treaty based thereon;

Now, therefore, for good and valuable consideration, receipt of which is acknowledged, I have agreed to assign and transfer and do hereby assign and transfer unto University of Georgia Research Foundation, Inc. ("Company"), a corporation of Georgia, having its principal office at Boyd Graduate Studies Research Center, Athens, GA 30602-7411, United States of America, its successors and assigns, my entire right, title, and interest in and to any application identified above and the inventions disclosed in any application identified above, and in and to any division or continuation (in whole or in part) of said application(s), and in and to any and all improvements in said invention made by me or made jointly with others (provided any such improvement is made during, or within one year after the termination of, my employment by the Company), and in and to any and all Patents, reexaminations, reissues, or extensions thereof, of the United States of America and countries foreign thereto (including the right to apply for Patents, Utility Models, or Inventors' Certificates in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted thereon or on any divisional, continuation (in whole or in part), renewal, reexamination, reissue, or other or further application based in whole or in part upon said inventions or improvements thereon, to be held and enjoyed as fully and exclusively as they would have been by me had this assignment and transfer not been made;

I do further agree for myself and my heirs, executors, and administrators, to execute and deliver without further consideration any further applications, assignments, and documents, and to perform such other acts as I lawfully may, that may be deemed necessary by the Company, its successors, assigns, and nominees, fully to secure its right, title, and interest as aforesaid and to obtain or maintain Patents, Utility Models, or Inventors' Certificates in any and all countries;

And I do hereby authorize and request any and all Patents, Utility Models, Inventors' Certificates, and the like, which may be granted upon any of said applications to University of Georgia Research Foundation, Inc. as the assignee of my entire right, title, and interest therein.

In witness whereof, I have hereunto signed my name on the day and year set forth below.
