ASSIGNMENT

FOR GOOD AND VALUABLE CONSIDERATION, the receipt and sufficiency of which are hereby acknowledged, I, C. STEVEN MCDANIEL, (“ASSIGNOR”), having made an invention for BIOLOGICAL ACTIVE COATING COMPONENTS, COATINGS, AND COATED SURFACES, does hereby ASSIGN, SELL and CONVEY to said REACTIVE SURFACES, LTD., LLP a limited partnership organized and existing under the laws of the State of Texas, and having its principal place of business at 300 West Avenue, Suite 1316, Austin, Texas 78701 (sometimes hereinafter called “ASSIGNEE”), its successors and assigns, the entire right, title and interest throughout the world in and to:

1. Said invention in BIOLOGICAL ACTIVE COATING COMPONENTS, COATINGS, AND COATED SURFACES;
2. United States of America patent application of said invention Serial No. 14/795,608 filed July 9, 2015;
3. All applications for patent or like protection on said invention that have now been or may in the future be made by us or our legal representatives, whether in the United States of America or any other place anywhere in the world;
4. All patents and like protection that have now been or may in the future be granted on said invention to us or our legal representatives, whether in the United States of America or in any other country or place anywhere in the world;
5. All substitutions for and divisions, continuations, continuations-in-part, renewals, reissues, extensions, and the like of said applications and patents and like grants, including without limitation, those obtained or permissible under past, present and future laws and statutes;
6. All rights in any invention using the base invention disclosed in any of the patent applications identify herein;
7. All rights of action on account of past, present and future unauthorized use of said invention and for infringement of said patents and like protection;

8. The right in ASSIGNEE to file in its name applications for patents and like protection for said invention in any country or countries foreign to the United States; and
9. All international rights of priority associated with said invention, applications, patents and like protection;

and I covenant that I, and my heirs, legal representatives, assigns, administrators, and executors, will, at the expense of ASSIGNEE, its successors and assigns, execute all papers and perform such other acts as may be reasonably necessary to give ASSIGNEE, its successors and assigns, the full benefit of this Assignment.

EXECUTED at the place and on the date indicated below.
