PATENT ASSIGNMENT

RECITALS

- A. **Liberty Holdings, LLC**, a Minnesota limited liability company ("Assignor") owns the following United States Patent for a pipe handler ("Patent"):

<u>Patent No.</u>	<u>Issued</u>	<u>Invention</u>	<u>Inventors</u>
9,388,647	July 12, 2016	Pipe Handler	Forrest L. Dahmes & Paul K. Danielson

- B. Assignor desires to assign to **Hawker Equipment Solutions LLC**, a Minnesota limited liability company ("Assignee"), whose mailing address is 619 East 5th Street, Litchfield, MN 55355, and Assignee desires to acquire from Assignor, Assignor's full, entire and exclusive right, title and interest in the Patent.

ASSIGNMENT

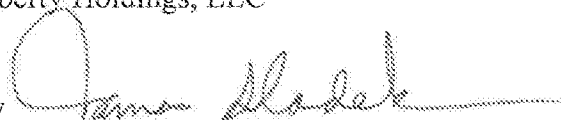

In consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is acknowledged, effective as of **August 18, 2017**, Assignor sells, assigns and transfers its full, entire and exclusive right, title and interest in the Patent, including any Letters Patent of foreign countries that may be granted for the Invention and any renewals, reissues, continuations or extensions of the Patent, to Assignee to be held and enjoyed by Assignee for its own use and benefit and for its legal representatives, successors and assigns, to the full end of the term for which the Patent is granted, as fully and entirely as Assignor would have held the Patent if this assignment and sale had not been made.

Assignor covenants that it has the full right to convey its entire interest in the Patent to Assignee, that it has not executed and will not execute any instrument purporting to convey, mortgage, lease, license or otherwise transfer all or any part of its entire interest in the Patent to anyone other than Assignee.

ASSIGNOR:

Liberty Holdings, LLC
