DECLARATION AND ASSIGNMENT

Title of Invention: Urethane Acrylic Hybrid Polymer Dispersion with Robust Dry/Wet Adhesion and Basecoats Prepared Therefrom

I, Zhangqing Yu of Twinsburg, County of Summit, State of Ohio, declare that this declaration is directed to:

- United States Patent Application filed herewith, or
- United States application or PCT application number 16/273,478, filed on February 12, 2019.

The above-identified Invention was made or authorized to be made by me. I hereby declare that I am the original inventor or an original joint inventor of a claimed invention in the referenced patent application.

I have reviewed and understand the contents of the above-identified application, including the claims.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. § 1001 by fine or imprisonment of not more than five (5) years, or both.

Whereas, having invented certain new and useful improvements in the above-identified application, and, in consideration of the sum of one Dollar(s) (\$ 1.00) and other good and valuable consideration to me paid by The Sherwin-Williams Manufacturing Co., a corporation of Ohio, having its principal office and place of business at Cleveland, Ohio, or its affiliates, I hereby assign to The Sherwin-Williams Manufacturing Co., its successors and assigns, including assignee SWIMC LLC by separate agreement, the entire right, title and interest in and to said improvements in the United States, its territories, and all foreign countries, and in, to and under the application for Letters Patent of the United States disclosing and claiming said improvements, bearing Sherwin-Williams Patent Case No(s). 21341, and in, to and under any Reissue, Divisional, Continuing, Substitute, or other application based in whole or in part thereon, and any corresponding application filed in any foreign country, and in, to and under any Letters Patent of the United States or any foreign country which may be issued on any of said applications.

Further, I do hereby covenant and agree for myself and my legal representatives to assist my aforesaid assignee, its successors and assigns in the prosecution of the said application or applications, and in any interference or litigation which may arise involving my said improvements, application or applications, or the said patent or patents, and to execute (1) any application for Reissue of the aforesaid patent or patents, and (2) any Divisional, Continuing, Substitute or foreign application based in whole or in part on the above specifically identified application or applications and (3) any assignment of said applications or patents granted thereon, all as may be requested by my said assignee.

And I further grant to The Sherwin-Williams Manufacturing Co., its successors and assigns, the right to claim for any of the aforesaid patent applications any privileges available under Conventions or other agreements relating to Industrial Property or under the municipal law in the countries in which said applications are filed.

And I hereby authorize and request the United States Commissioner of Patents, and appropriately empowered officials of foreign countries, to issue Letters Patent or Patents upon the aforesaid application or applications to The Sherwin-Williams Manufacturing Co., aforesaid, its successors and assigns, as assignee of my entire right, title and interest in and to the same.

IN WITNESS WHEREOF, this declaration and assignment has been executed below by the undersigned:
