have invented certain new and useful improvements in a SYSTEM FOR CALCULATING PRICING USING AT LEAST ONE OF TIME DEPENDENT VARIABLES AND PRECONFIGURED PROFILES for which we are about to make application for Letters Patent of the United States; and for which we authorize the Assignee's attorney to insert the application serial number and filing date when known:

Application Serial No. 16/528,155, having a filing date of 7/31/19;

AND WHEREAS, Energy Enablement LLC, a company organized and existing under the laws of Pennsylvania and having its principal place of business at Foster Plaza 5, 651 Holiday Drive, Suite 400, Pittsburgh, PA 15220, hereinafter called the "Assignee", is desirous of acquiring the entire right, title, and interest in and to said application and the inventions and improvements therein disclosed;

NOW, THEREFORE, in consideration of One (\$1.00) Dollar and other good and valuable consideration paid to us by the Assignee, receipt whereof we hereby acknowledge, we do hereby assign, sell, transfer, and set over unto said Assignee the entire right, title, and interest in and to said application and the inventions and improvements therein disclosed for the United States and all foreign countries and any Letters Patent which may issue therefor in the United States and all foreign countries and all subsequent utility application filings, divisions, reissues, continuations, continuations-in-parts, re-examination, renewals, substitute and/or extensions thereof including all priority rights under the International Convention associated therewith for each country and the Union, the Assignee to have and to hold the interests herein assigned to the full ends of the terms of said Letters Patent and any and all divisions, reissues, continuations, continuations-in-parts, re-examinations, renewals, substitute and/or extensions thereof, respectively, as fully and entirely as the same would have been held and enjoyed by us had this assignment not been made.

The Commissioner of Patents and Trademarks is requested to issue such Letters Patent in accordance herewith. We covenant that we are the lawful owners of this application, as well as these inventions, and improvements, that the same are unencumbered, that no license has been granted to make, use, or vend these inventions or improvements or any of them, and that we have the full right to make this assignment.

And for the consideration aforesaid, we agree that we will communicate to the Assignee or the representatives thereof any facts known to us respecting the inventions and improvements,

and will, upon request, but without expense to us, testify in any legal proceedings, sign all lawful papers, execute all subsequent utility application filings, as well as divisional, reissue, continuation, continuation-in-part, re-examination, renewal, substitute and/or extension applications, make all rightful oaths, and generally do all other and further lawful acts, deemed necessary or expedient by the Assignee or by counsel for the Assignee, to assist or enable the Assignee to obtain and enforce full benefits from the rights and interests herein assigned. This assignment shall be binding upon our heirs, executors, administrators, and/or assigns, and shall inure to the benefit of the heirs, executors, administrators, successors, and/or assigns, as the case may be, of the Assignee.
