ASSIGNMENT

Whereas, Jesse C. VON FANGE and David W. PANCAKE (the "Assignors") have invented certain new and useful improvements in MICRO-PERFORATED WOOD VENEER ACOUSTIC PANEL, for which an application for Letters Patent of the United States of America has been executed by the Assignors, having U.S. Patent Application Number 16/445,551, on June 19, 2019 (the "Patent Application");

Whereas, by this Assignment, Assignors desire to convey all right, title, and interest in and to the Patent Application and any Letters Patent(s) that may be granted therefor to:

S.J. MORSE COMPANY
2736 Northwestern Pike
Capon Bridge, West Virginia 26711
United States

S.J. MORSE COMPANY, its heirs, successors, legal representatives and assigns, is herein further referred to as "Assignee".

Now, for valuable consideration by Assignee to Assignors, the receipt of which is hereby acknowledged by Assignors, and for other good and valuable consideration, Assignee and Assignors hereby agree as follows:

Assignors hereby convey, assign, sell and transfer to Assignee all right, title and interest in and to the Patent Application, any continuation, division, renewal, conversion or substitute thereof, and hereby grant to Assignee the right to apply in its own name for Letters Patent(s) or Inventor's certificates and related rights heretofore or hereafter filed for the invention in any and all countries, including (without limitation) all rights to claim priority based thereon, all Letters Patent(s) granted thereon, and all reissues, extensions and renewals thereof;

Assignors hereby covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this Assignment;

Assignors further covenant that Assignors will, upon Assignee's request, provide Assignee with all pertinent facts and documents relating to the Patent Application, as may be known and accessible to Assignors, and Assignors will testify as to the same in any interference, litigation or proceeding related thereto and will promptly execute and deliver to Assignee or Assignee's legal representative any and all papers, instruments or affidavits required to apply for, protect, obtain, maintain, issue, defend and enforce the Patent Application, whether in the United States or any and all foreign countries and any Letters Patent(s) granted thereon and/or for obtaining any reissue or reissues of any Letters Patent(s) which may be granted from the Patent Application, and perform such further acts which may be necessary or desirable to carry out the intent of this agreement as Assignee may require and prepare at Assignee's expense; and

Assignee warrants that its representative signing below is fully authorized to enter into this Assignment and to convey the interests described in this Assignment on behalf of Assignee.

IN WITNESS WHEREOF, Assignors and Assignee's authorized representative have hereunto set hand and seal.
