Amendment Number Two of Service Agreement
Having An Effective Date Of February 1, 2014
("Agreement")
between
ClaimsCorp Inc. ("ClaimsCorp" or "CCI")
and
BASF Corporation ("BASF")

This Amendment, having an effective date of July 1st, 2017, (the "Project Start Date"), hereby modifies the Agreement in the following respects, and, except as modified herein, all other terms and conditions of the Agreement remain unchanged and in full force and effect. If any term or condition of this Amendment conflicts with or is inconsistent with any term and condition of the Agreement, the provisions of the Agreement shall control unless expressly modified in this Amendment. If it becomes apparent that the Agreement's terms are inconsistent with the intent of the Amendment, the parties will work collaboratively to identify and implement corrective changes in the Amendment which shall apply only to the Amendment. References herein to articles / sections / paragraphs / schedules / appendices / exhibits / annexes or the like refer to the corresponding numbered articles/sections/paragraphs/schedules/appendices/exhibits/ annexes of the Agreement but the modifications apply to all conflicting or inconsistent provisions of the Agreement, whether or not specifically cited.

REDACTED

A handwritten signature, possibly "J. Maguire", enclosed within a hand-drawn circle.

5 Intellectual Property

(a) All reports and information of any nature, software programs and related materials, and other technology (including the media upon which they are located and any source code or programming documentation) which are developed, prepared for or delivered to BASF as a part of, or in connection with, the performance of the project (collectively, "Deliverables"), shall be the property of BASF and CCI hereby assigns all copyrights and other property rights therein to BASF. CCI shall place a legend disclosing BASF's proprietary rights on all Deliverables while in development or otherwise in the possession of CCI. CCI shall also execute and deliver to BASF, from time to time, any further assignments, copyright registrations, patent applications, or other documents which BASF may reasonably request to confirm BASF's ownership of all proprietary rights in the Deliverables.
