BERRY METAL COMPANY
EMPLOYMENT AGREEMENT

In consideration of my employment by Berry Metal Company, hereinafter called Berry, and for the compensation now and hereafter paid to me by Berry, I hereby agree as follows:

INVENTION ASSIGNMENT

I agree to communicate to Berry all inventions, discoveries and improvements made or conceived by me, solely or in collaboration with others, from the time of entering into this employment and for a period of six (6) months after termination of this employment, which relate to the business of Berry or its parent company, The Robins Group, or to any work to which I may be assigned, or to any subject matter of which I may become informed by reason of my employment, and

I agree to assign and by these presents do hereby assign and transfer to Berry, all my entire right, title and interest in and to such inventions, discoveries and improvements, and upon the request of Berry, I agree to execute any and all documents which Berry may deem necessary to secure to Berry or its parent company, or their successors, assigns or nominees, the exclusive right, title and interest to said inventions, discoveries and improvements and any patents throughout the world issued therefor.
