ASSIGNMENT

WHEREAS, (1) Juan Mariscal and (2) Robert Spidale (collectively the "Inventors"), have invented certain new improvements in a Wagering Game Having Improved Persistent Game Mode Feature (the "Invention"), which is disclosed and claimed in the enclosed United States patent application serial No. 15/272,219, filed on Sept. 21, 2016 (the "Application"). Any and all inventions disclosed in the Application will be referred to herein collectively as the "Invention."

WHEREAS, Everi Games, Inc. ("Everi"), a Delaware corporation having an office at 206 Wild Basin Road South, Austin, Texas 78746, desires to acquire the entire right, title, and interest in the Invention.

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the Inventors hereby sell, assign, and transfer unto Everi, the entire right, title, and interest, in and to the Invention, including the entire right, title, and interest in and to the Application and any foreign counterparts, continuations, continuations-in-part, and divisions thereof. This assignment shall be effective for the territory of the United States of America and for all foreign countries, and shall include all priority rights, including priority rights from the Application. The Invention, the Application, and any U.S. Patent issuing from the Application or continuation, continuation-in-part, or division thereof, and any reissue of any such patent, to be held and enjoyed by Everi, for its own use, and for its legal representatives and assigns as fully and entirely as the same would have been held by the Inventor had this assignment and sale not been made. Inventors further authorize and request Everi, directly or through Everi's attorneys, to insert the filing date and application number of said application in the above spaces when the filing date and application number are known.

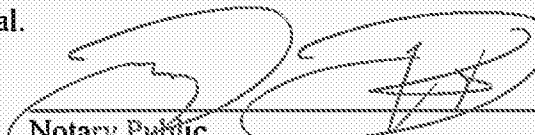

(1) Executed this 19th day of September, 2016.
