PATENT LICENSE AND ASSIGNMENT AGREEMENT

This PATENT LICENSE AND ASSIGNMENT AGREEMENT ("Patent Assignment"), dated as of August 8, 2019 is made by Scott F. Suprina ("Assignor"), in favor of RI, Inc., a New York corporation, d/b/a Seating Solutions ("Assignee"). Assignor and Assignee are sometimes referred to herein as the "Parties" and each individually as a "Party."

WHEREAS, in connection with certain transactions, Assignor agreed to assign to Assignee all right, title and interest in and to U.S. Patent No. 8,733,838, titled "Floor Track for Seating System," and all continuations, continuations-in-part, divisions, extensions, substitutions, reissues, re-examinations, and renewals thereof (collectively, the "Patent") for good and valuable consideration;

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Assignment. Assignor hereby irrevocably conveys, transfers, and assigns to Assignee, and Assignee hereby accepts, all of Assignor's right, title, and interest in and to the following:

- (a) the Patent;
- (b) all rights of any kind whatsoever of Assignor accruing under the Patent provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world;
- (c) any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to the Patent; and
- (d) any and all claims and causes of action with respect to the Patent, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, misappropriation, violation, misuse, breach, or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Recordation and Further Actions. Assignor hereby authorizes the Commissioner for Patents in the United States Patent and Trademark Office and the officials of corresponding entities or agencies in any applicable jurisdictions to record and register this Patent Assignment upon request by Assignee. Following the date hereof, Assignor shall take such reasonable steps and actions, and provide such reasonable cooperation and assistance to Assignee and its successors, assigns, and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be necessary to effect, evidence, or perfect the assignment of the Patent to Assignee, or any assignee or successor thereto.

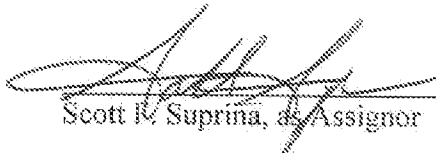

3. Counterparts. This Patent Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed one and the same agreement. A signed copy of this Patent Assignment delivered by facsimile, e-mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Patent Assignment.

4. Successors and Assigns. This Patent Assignment shall be binding upon and shall inure to the benefit of the Parties and their respective successors and assigns.

5. Governing Law. This Patent Assignment and any claim, controversy, dispute, or cause of action (whether in contract, tort, or otherwise) based upon, arising out of, or relating to this Patent Assignment and the transactions contemplated hereby shall be governed by, and construed in accordance with, the laws of the United States and the State of Delaware, without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction).

[Signature page follows.]

IN WITNESS WHEREOF, the Parties have caused this Patent Assignment to be executed as of the date first written above.

Scott R. Suprina, as Assignor

RI, INC. D/B/A SEATING SOLUTIONS, as
Assignee

By 

Name: KISH SUPRINA
