ASSIGNMENT – EXHIBIT A

Helvetia Wireless, LLC, a Delaware limited liability company having offices at 14362 N. Frank Lloyd Wright Boulevard, Suite 1210, Scottsdale, AZ 85260, USA (hereinafter “Assignor”), for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, hereby assigns, grants, sells, transfers, conveys, sets over and quits claims effective as of August ~~7~~⁹, 2019 to Hill-Rom Services, Inc., an Indiana corporation having offices at 1069 State Route 46 East, Batesville, IN 47006, USA (hereinafter “Assignee”), its successors and assigns, any and all rights, title and interests that Assignor has in and to the patents and applications set forth on Exhibit 1, attached hereto and made a part hereof; in and to the inventions covered by such patents and applications and therein disclosed; in and to any divisional, continuation, continuation-in-part, or reissue applications corresponding to such patents and applications and any reexamination of such patents and applications; in and to any foreign patents or patent applications corresponding thereto; and the right to claim priority based on the filing dates of such applications under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purpose; together with all claims for profits or damages due or accrued by reason of past, present, or future infringements of such patents and applications, with the right to sue for, and collect the same for, Assignee’s own use and benefit, and for the benefit of Assignee’s successors, assigns, and legal representatives; all such rights and inventions to be held and enjoyed by Assignee for its own use and enjoyment to the full end of the term or terms for which the patents may be granted, as fully and entirely as the same would have been held and enjoyed by them had this assignment not been made. Assignor will without further compensation, perform such lawful acts and execute all further documents as Assignee may reasonably request to effectuate fully the assignment of such patents and applications, including

the execution of separate assignments in connection with such patents or application as Assignee may deem necessary or expedient.

Assignor agrees to execute all papers necessary in connection with any interference which may be declared or litigation concerning the patents and applications, or any continuation, division, reissue, or reexamination thereof, and to cooperate with Assignee in every way possible in obtaining evidence and going forward with such interference or litigation.

Assignor agrees to do all other acts which, in the opinion of Assignee, may be necessary or desirable to secure the grants of Letters Patent to Assignee or its nominees, in the United States and in all other countries where Assignee may desire to have such inventions, or any of them, patented, with specifications and claims in such form as shall be approved by Assignee and to vest and confirm in Assignee or its nominees the full and complete legal and equitable title to all such Letters Patent.

Assignor hereby authorizes and requests the Commission of Patents to issue any and all Letters Patent of the United States resulting from any applications, or any division or divisions or continuing or reissue application thereof, and any reexamination of any of such applications, to Assignee, as Assignee of the entire interest, and hereby covenants that Assignor has the full right to convey the interest herein assigned, and that Assignor has not executed and will not execute any agreement in conflict herewith.

Assignor grants the attorney(s) of record the power to insert on this Assignment any further identification which may be necessary or desirable and to correct typographical errors in connection with the information contained herein prior to any recordation of this document.

IN WITNESS WHEREOF, Assignor has caused this Assignment to be signed by a duly authorized officer.
