## ASSIGNMENT

THIS ASSIGNMENT is made this 16<sup>th</sup> day of September, 2011 by and between TeraHop Networks, Inc., a Delaware corporation, with its current principal place of business at 2802 10<sup>th</sup> Ave., E., Seattle, WA 98102 (hereinafter "Assignor"), and KLJ Consulting LLC, which has an address of 1215 Fourth Avenue, Ste. 900, Seattle, WA 98161 (hereinafter "Assignee").

WHEREAS, the Assignor is indebted to investors and creditors, as set forth in Schedule A annexed hereto, is unable to pay debts as they become due, and is desirous of providing for the payment of debts, so far as it is possible by an assignment of all property for that purpose.

NOW, THEREFORE, the Assignor, in consideration of the Assignee's acceptance of this assignment, and for other good and valuable consideration, hereby grants, assigns, conveys, transfers, and sets over, unto the Assignee, and the Assignee's successors and assigns, all of Assignor's property, except such property as is exempt by law from levy and sale under an execution (and then only to the extent of such exemption), including, but not limited to, all real property, fixtures, goods, stock, inventory, equipment, furniture, furnishings, accounts receivable, general intangibles, bank deposits, cash, promissory notes, cash value and proceeds of insurance policies, claims, and demands belonging to the Assignor, wherever such property may be located (hereinafter collectively the "Estate"), which property is, to the best knowledge and belief of the Assignor, fully and accurately set forth on Schedule B annexed hereto.

By making this assignment, the Assignor consents to the appointment of the Assignee as a general receiver with respect to the Assignee's property in accordance with Chapter 7.60 RCW and understands that the Assignee shall file a separate petition for the appointment of the receiver.

The Assignee shall take possession and administer the Estate, and shall liquidate the Estate with reasonable dispatch and convert the estate into money, collect all claims and demands hereby assigned as and to the extent they may be collectible, and pay and discharge all reasonable expenses, costs, and disbursements in connection with the execution and administration of this assignment from the proceeds of such liquidations and collections.

The Assignee shall then pay and discharge in full, to the extent that funds are available in the Estate after payment of administrative expense, costs, and disbursements, all of the debts and liabilities now due from the Assignor, including interest on such debts and liabilities in full, according to their priority as established by law, and on a pro rata basis within each class.

In the event that all debts and liabilities are paid in full, the remainder of the Estate shall be returned to the Assignor.

To accomplish the purposes of this assignment, the Assignor hereby irrevocably appoints the Assignee as the Assignor's true and lawful attorney-in-fact, with full power and authority to do all acts and things which may be necessary to execute and fulfill the assignment hereby created, to the same extent as such acts and things might be done by Assignor in the absence of

this assignment, including but not limited to the power to demand and recover from all persons all property of the estate; to sue for the recovery of such property; to execute, acknowledge, and deliver all necessary deeds, instruments, and conveyances, and to grant and convey any and all of the real or personal property of the estate pursuant thereto; and to appoint one or more attorneys to assist the Assignee in carrying out the Assignee's duties hereunder.

The Assignor hereby authorizes the Assignee to sign the name of the Assignor to any check, draft, promissory note, or other instrument in writing which is payable to the order of the Assignor, or to sign the name of the Assignor to any instrument in writing, whenever it shall be necessary to do so, to carry out the purposes of this assignment.

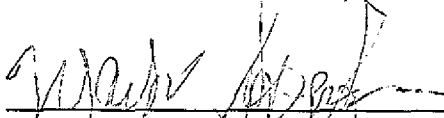

The Assignor declares, under penalty of perjury under the laws of the state of Washington, that the attached list of creditors (Schedule A) and of the property of the Assignor (Schedule B) are true and complete to the best of the Assignor's knowledge.

The assignment shall be signed by the Assignor and duly acknowledged in the same manner as conveyances of real property before a notary public of this state, and shall include an acceptance of the assignment by the Assignee in substantially the following form:

The Assignee hereby accepts the trust created by the foregoing assignment, and agrees faithfully and without delay to carry out the Assignee's duties under the foregoing assignment.
