PATENT ASSIGNMENT

WHEREAS, Matthew T. Riley, residing in Derby, Kansas, (hereinafter referred to collectively as "Assignor"), has invented certain inventions set forth on Schedule A attached hereto and for which several patent applications have been filed (collectively, the "Invention"); and

WHEREAS, Nautilus Engineering, LLC, a limited liability company under and pursuant to the laws of Kansas, having a principal place of business at 300 West Douglas Avenue, Suite 500, Wichita, KS 67202 (hereinafter referred to as "Assignee"), is desirous of acquiring the entire right, title and interest in and to the Patent.

NOW, THEREFORE, effective as of December 30, 2016, and for good and sufficient consideration, the receipt of which is hereby acknowledged, Assignor hereby sells, assigns, transfers and sets over unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the Invention, including all rights to damages for any and all past infringement of the any patents covering the Invention, and in and to any and all direct and indirect divisions, continuations, continuations-in-part of any patent applications covering said Invention, and any and all Letters Patent in the United States and all foreign countries which may be granted therefore and thereon, and reissues, reexaminations and extensions of any applications covering said Invention, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term for which each Letters Patent and applications for Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignors, had this sale and assignment not been made.

AND Assignor hereby grants the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:
