ASSIGNMENT AGREEMENT

Buyer and Seller agree as follows: for good and valuable consideration, the receipt and sufficiency of which are acknowledged by Seller, Seller has sold, assigned, and transferred, and by virtue of this assignment agreement sells, assigns, and transfers to Buyer, its successors and assigns, the full and exclusive right, title and interest in and to:

(a) the patent(s) and/or patent application(s) listed in the table below:

Patent Doc. No.	Filing/Grant Date	Title
15/003,714 US 10,112,770	21 Jan 2016 30 Oct 2018	Method and Apparatus for Supporting a Floating Roof Disposed in a Storage Tank
15/170,887 US 2017/0355519	1 Jun 2016 14 Dec 2017	Method and Apparatus for Raising a Floating Roof Disposed in a Storage Tank
PCT/US2017/033571 WO 2017/209992	19 May 2017 7 Dec 2017	Method and Apparatus for Raising a Floating Roof Disposed in a Storage Tank

(b) the inventions set forth in the patent(s) and/or patent application(s) identified in (a);

(c) all improvements to and modifications of the inventions identified in (b);

(d) all other patents and/or patent applications filed anywhere in the world for the inventions, improvements, and modifications identified in (b)-(c);

(e) all patent(s) and/or patent application(s) that claim priority to at least one of the patent(s) and/or patent application(s) identified in (a) or (d) including national stage applications, divisional applications, continuation applications, reissue applications, reexamination applications, review applications, and extensions of such;

(f) the right to claim priority to any of the patent(s) and/or patent application(s) identified in (a) and (d)-(e) under the International Convention or any other applicable treaty, agreement, or law; and

(g) all claims that Seller or its predecessors in title may have, at law or in equity, whether presently known or unknown, arising out of past or present infringements of the patent(s) and/or patent application(s) listed in (a) and (d)-(e);

such right, title, and interest to be held and enjoyed by Buyer, its successors and assigns, to the full end of the term or terms for which all such patents may be granted as fully and entirely as they would have been held and enjoyed by Seller had this assignment agreement not been made.

Seller represents and warrants that Seller has the full and unencumbered right to sell, assign, and transfer the interests sold, assigned, and transferred in this assignment agreement, and that Seller has not executed and will not execute any document or instrument that conflicts with this assignment agreement.
