(3) WHEREAS, ImagiStar LLC, a limited liability corporation duly organized under and pursuant to the laws of the state of Maryland of the United States, solely owned at the time of this assignment by Steven C. Oppenheimer, and having its principal place of business at 12207 Braxfield Court, Unit 15, Rockville, MD 20852 (the “Assignee”), is desirous of acquiring the entire right, title, and interest in: the Invention(s); the application(s) for patent identified in paragraph (2); the right to file applications for patent of the United States or other countries on the Invention(s); any application(s) for patent of the United States or other countries claiming priority to these application(s); any provisional or other right to recover damages, including royalties, for prior infringements of these applications; and any patent(s) of the United States or other countries that may be granted therefore, therefrom, or thereon.

(4) NOW, THEREFORE, for good and sufficient consideration of \$1, the receipt of which is hereby acknowledged, and to the extent that the Assignor has not done so already via a prior agreement with the Assignee, or if the Assignor has already done so via a prior agreement with the Assignee then in confirmation of any obligation to do so in said prior agreement, the Assignor has sold, assigned, transferred, and set over, and by these presents does sell, assign, transfer, and set over, unto the Assignee, its successors, legal representatives, and assigns, the Assignor's entire right, title, and interest in:

(4.a) the Invention(s);

(4.b) all the application(s) for patent identified in paragraph (2);

(4.c) the right to file applications for patent of the United States or other countries on the Invention(s), including all rights under the Hague Convention, the Paris Convention for the Protection of Industrial Property and under the Patent Cooperation Treaty;

(4.d) any application(s) for patent of the United States or other countries claiming the Invention(s);

(4.e) any application(s) for patent of the United States or other countries claiming priority to the application(s) for patent identified in paragraph (2) or any application(s) for patent claiming the Invention(s), including any divisional(s), continuation(s), and continuation(s) in-part;

(4.f) any provisional or other right to recover damages, including royalties, for prior infringements of any application for patent identified in the preceding paragraphs (b)-(e);

(4.g) any patent(s) of the United States or other countries that may be granted for or on any application for patent identified in the preceding paragraphs (b)-(c), including any reissue(s) and extension(s) of said patent(s); and

(4.h) any and all priority rights vested in the application(s) for patent listed in paragraph (2), and any and all rights to any patent(s) or patent application(s) which form the basis for such priority rights.

(5) The above-granted rights, titles, and interests are to be held and enjoyed by the Assignee, for its own use and behalf and the use and behalf of its successors, legal representatives, and assigns, as fully and entirely as the same would have been held and enjoyed by the Assignor had this sale and assignment not been made.

(6) The Assignor hereby represents to the Assignee, its successors, legal representatives, and assigns, that, at the time of execution and delivery of these presents, or if applicable, at such time said prior agreement was executed, the Assignor is a lawful owner of an undivided interest in the entire right, title, and interest in and to the Invention(s), that the Invention(s) are unencumbered, except, if applicable, by obligation to assign in accordance with said prior agreement, and that the Assignor has good and full right and lawful authority to sell and convey the same in the manner set forth herein.

(7) The Assignor hereby requests the Commissioner of Patents to issue said patents of the United States to the Assignee for the sole use and behalf of the Assignee, its successors, legal representatives, and assigns.

(8) In the offices of the World Intellectual Property Organization (WIPO), the European Patent Office (EPO), and in such other regional patent offices and nations other than the United States where said patents may be filed and/or prosecuted, the Assignor hereby requests the authorized officers of the patent offices of WIPO, EPO, and such other regional patent offices and nations to process, review, and issue said patents and/or letters patent for the sole use and on behalf of the Assignee, its successors, legal representatives, and assigns.

(9) IN WITNESS WHEREOF, executed by the Assignor and the Assignee on the date under the name of each Assignor and the Assignee, respectively.
