DATE 7 August 2019

#### **PARTIES**

- ✦ **BAROKES PTY LIMITED (IN LIQUIDATION) ACN 079 714 579** of Level 10, 45 William Street, Melbourne, Victoria (Assignor)
- ✦ **DAVID JOHN COYNE and JAMES KOUTSOUKOS** in their capacities as joint and several Liquidators of the Assignor, and not in their personal capacity c/- BRI Ferrier (NSW) Pty Ltd, Level 10, 45 William Street, Melbourne, Victoria 3000 (Liquidators)
- ✦ **INTELLIGENT PACKAGING PTY LIMITED ACN 601 469 158** of 66 Lillee Crescent, Tullamarine, Victoria (Assignee)

#### **BACKGROUND**

- A. The Assignor is the legal owner of intellectual property rights in each of:
  - (a) the Patents; and
  - (b) the Patent Applications.
- B. The Liquidators were appointed as joint and several Liquidators of the Assignor by Order of the Supreme Court of Victoria dated 20 September 2018.
- C. Pursuant to the Sale of Business Agreement, the Assignor's business and assets were sold to the Assignee.
- D. The Assignor and the Liquidators agreed to grant the Assignee the right to use and exploit the Patents under a licence agreement until such time as the Patents could be assigned.
- E. Pursuant to the terms of this Agreement, the Assignor assigns its ownership of the Intellectual Property as from the Effective Date and the Assignee has agreed to accept the Intellectual Property.
- F. The Liquidators execute this Agreement only in their capacity as Liquidators of the Assignor and not in their personal capacity.
- G. The parties wish to formally record the assignment of the ownership of the Intellectual Property subject to the terms of this Agreement.

**DEED**

**1. Interpretation**

---

1.1 In this Agreement, the following words mean:

**Agreement** means this agreement and includes any schedule or annexure;

**Assignor's Technology** means:

- (a) the technology associated with the manufacture of can and container packaging as described in the subject matter of the Patents and Patent Applications; and
- (b) all technology related to or derived from the Patents and Patent Applications;

**Business Day** means Monday to Friday, excluding public holidays;

**Claim** means any:

- (a) cause of action, legal proceeding (whether civil or criminal), administrative proceeding, arbitral proceeding, mediation or other form of alternative dispute resolution (whether or not held in conjunction with the proceeding);
- (b) claim for cost (including all legal costs), damages, debt, expense, tax, loss; or
- (c) a threat, complaint or demand that might reasonably result in the person against whom it is made apprehending that a proceeding, investigation or inquiry might be initiated,

whether direct or indirect, consequential, incidental or economic.

**Confidential Information** means:

- (a) all technical knowledge and information, operating and testing procedures, practices and know-how relating to the Assignor's Technology;
- (b) all other information relating to the Assignor's Technology which, by its nature, places or potentially places the Assignor at an advantage over its present or future business competitors,

whether or not marked **Confidential** BUT does not include information which:

- (c) prior to the assignment effected by this Agreement is already in the public domain;

- (d) after the assignment effected by this Agreement becomes part of the public domain other than by disclosure in breach of the terms of this Agreement; or
- (e) is received by the Assignee from a third party legitimately in possession of it and having a right to disclose it and who is not under any obligation of confidentiality to the Assignor;

**Consideration** means the amount of \$1.00;

**Effective Date** means the date of this Agreement;

**Intellectual Property** means the Patents and Patent Applications;

**Patents** means the registered patents described in Schedule A;

**Patent Applications** means:

- (a) all applications for a patent described in Schedule B; and
- (b) all corresponding applications made throughout the World under the Patent Cooperation Treaty (PCT) or other treaty, made after the date of this Agreement.

**Patent Infringement Claims** has the meaning given to it in the Sale of Business Agreement.

**Sale of Business Agreement** means the agreement between the parties for the sale of the Assignor's business and assets to the Assignee, dated 30 May 2019.

1.2 In this Agreement, the following rules apply, unless the context requires otherwise:

- (a) headings are for convenience only and do not affect the interpretation of this Deed;
- (b) the singular includes the plural and the plural includes the singular;
- (c) any gender includes any other gender;
- (d) any thing required to be done on a day that is not a Business Day, may be done on the next Business Day;
- (e) reference to a person includes a natural person, corporation, partnership, association or other legal entity;
- (f) reference to legislation includes that legislation as amended or modified or re-enacted;
- (g) reference to a provision, clause, Schedule or Annexure means, respectively, a provision, clause, Schedule or Annexure of this Agreement.

---

**2. Assignment**

---

- 2.1 With effect from the Effective Date, the Assignor assigns and transfers absolutely to the Assignee, and the Assignee accepts, the Assignor's full right, title and interest in and to:
- (a) the Patents;
  - (b) the Patent Applications;
  - (c) any and all common law and statutory rights and remedies in relation to the Patents available to the Assignor as from the Effective Date;
  - (d) all claims, demands, causes of action for infringement or otherwise, arising after the date of the Sale of Business Agreement, against any third party, and all rights to costs, damages profits or other remedy that may be available in respect of the Intellectual Property.
- 2.2 In consideration of the assignment in clause 2.1, the Assignee pays the Assignor, the Consideration, receipt of which is acknowledged.

---

**3. Acknowledgments**

---

- 3.1 The Assignee acknowledges and agrees that:
- (a) the Liquidators execute this Agreement solely in their capacity as Liquidators and not in their personal capacity; and
  - (b) the Liquidators incur no personal liability whatsoever under or in connection with this Agreement other than for an act of fraud by that person.
- 3.2 To avoid any doubt, if there is a breach of any express or implied provision of this Agreement, the Assignee acknowledges and agrees that it will not have any Claim or pursue any action whatsoever against the Liquidators, it being accepted by the Assignee that any claim or action must be taken solely against the Assignor.
- 3.3 For the avoidance of doubt, the Assignor will retain all rights in the patents necessary to continue the Patent Infringement Claims until their respective completion.
- 3.4 The Assignee warrants that:
- (a) None of the Patents are necessary to pursue the Patent Infringement Claims; and
  - (b) it is unaware of any potential infringement claim with respect to the Patents and which arose prior to the date of the Sale of Business Agreement.

- 3.5 In the event that the Assignee is found to be in breach of clause 3.4, the Assignee will, at its own cost, transfer the Patent necessary to make the infringement claim back to the Assignor until such time as the claim is resolved.

---

**4. Non-use of the Intellectual Property by the Assignor**

---

- 4.1 After the Effective Date, the Assignor must:
- (a) maintain strict confidentiality in relation to the Confidential Information and must not divulge any aspect of the Confidential Information to any third party; and
  - (b) not use or exploit any part of the Intellectual Property or aid or abet any other person to do so other than as permitted by this Agreement or the Assignee in writing.

---

**5. Authorities**

---

- 5.1 The Assignee has the full right and sole power and authority to apply for and obtain entry of its name as the registered proprietor or owner of any registrations or applications of the Intellectual Property.
- 5.2 The Assignor must, at the expense of the Assignee:
- (a) execute all documents necessary to enable the Assignee to assign, apply for or obtain registration as the registered proprietor or owner of the Intellectual Property; and
  - (b) render all assistance reasonably required by the Assignee for the purpose of confirming its title to the Intellectual Property and to maintain and establish the use, validity or registration of the Intellectual Property.

---

**6. Severability**

---

- 6.1 If a provision (or part of it) is held to be unenforceable or invalid, then it must be interpreted as narrowly as necessary to allow it to be enforceable or valid.
- 6.2 If a provision (or part of it) is held to be unenforceable or invalid, then:
- (a) the provision (or part of it) must be severed from this Agreement;
  - (b) the remaining provisions (and remaining part of the provision) are valid and enforceable.

---

**7. Victorian law and jurisdiction**

---

- 7.1 The law of Victoria from time to time governs this Agreement.
- 7.2 The parties agree to the non-exclusive jurisdiction of the courts of Victoria, the Federal Court of Australia, and of courts entitled to hear appeals from those courts.

---

**8. Amending this Agreement**

---

8.1 An amendment or change is only effective once it is:

- (a) made in writing; and
- (b) executed by all parties.

---

**9. This is the entire Agreement**

---

9.1 This is the entire Agreement of the parties concerning the subject matter of this Agreement.

9.2 There is no other Agreement, understanding, warranty or representation, whether oral or written, binding the parties concerning any aspect of this Agreement.

---

**10. No waiver**

---

10.1 A party may exercise its rights at any time and does not waive those even if that party:

- (a) previously waived a breach or default of all or part of the same or other provision; or
- (b) delayed or omitted to exercise its rights.

10.2 A waiver is only effective:

- (a) if it is signed by the party granting the waiver; and
- (b) to the extent set out in the waiver.

---

**11. Costs and Charges**

---

11.1 All cost associated with the preparation and execution of this Agreement including any charges arising out of this Agreement shall be the responsibility of and payable by the Assignee.

---

**12. Counterparts**

---

12.1 This Deed may be executed in any number of counterparts and by email copies, all of which taken together constitute one and the same document. Any signature page of a counterpart may be detached without impairing the legal effect of the signature on that document and attached to another counterpart identical in form but having attached to it one or more additional signature pages signed by the other Parties.

---

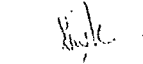

**13. This Agreement continues**

---

- 13.1 This Agreement continues to have effect and does not merge or end when this Agreement ends. In particular, this Agreement continues while an obligation continues to apply.

**Executed as an Agreement.**
