## ASSIGNMENT

We, Jeff Baker, Mike Bradfield and Brad Baker whose residence and post office addresses are 7954 Royal Land, Cottonwood Heights, Utah 84093; 12228 South Haven Hills Road, Riverton, Utah 84065; and 13556 South Muhlenburg Way, Riverton, Utah 84065, respectively, have invented a method and apparatus entitled "ARTICULATED CHAIR HAVING UNIVERSAL RECLINING ARMREST SYSTEM" (hereinafter called the "invention.")

Preferred embodiments of said invention are disclosed in United States provisional patent application Serial No. 12/324,836 filed in the United States Patent and Trademark Office on November 27, 2008.

The Assignee, Medical Technologies Industries, having a principal place of business at 3655 W. Ninigret Dr., Salt Lake City, Utah 84104 desires to secure the entire right, title and interest in said invention.

In consideration of One Dollar (\$1.00), and other good and valuable consideration paid to us by the Assignee, the receipt and sufficiency of which we hereby acknowledge, WE HEREBY ASSIGN TO THE ASSIGNEE:

The entire right, title, and interest, and all accrued rights, in said invention; in the above-identified United States patent application, and in all divisions, continuations and continuations-in-part of said application, and all reissues and extensions of Letters Patent and Patents granted thereon; in all corresponding applications filed in countries foreign to the United States; and in all patents issuing thereon in the United States and foreign countries.

The right to file foreign patent applications on said invention in its own name, wherever such right may be legally exercised, including the right to claim the benefits of the International Convention for such applications.

We hereby authorize and request the United States Commissioner for Patents, and such

Docket No.: 14555.4

Patent Office officials in foreign countries as are duly authorized by their laws to issue patents, to issue any and all patents on said invention to the Assignee as the owner of the entire interest, for the sole use and benefit of the said Assignee, its successors, assigns, and legal representatives.

We hereby agree, without further consideration and without expense to us, to sign all lawful papers and to perform all other lawful acts which the Assignee may request of us to make this Assignment fully effective, including, by way of example but not of limitation, the following:

Prompt execution of all original, divisional, substitute, reissue, and other United States and foreign patent applications on said invention, and all lawful documents requested by the Assignee to further the prosecution of any of such patent applications.

Cooperation to the best of our ability in the execution of all lawful documents, the production of evidence, nullification, reexamination, reissue, extension, or infringement proceedings involving said invention.

This assignment and agreement shall be binding upon our heirs and legal representatives.
