ASSIGNMENT

THIS ASSIGNMENT is made the 24th day of May 2018

BETWEEN

1. Pierre-Jacques LABRY, a French citizen of BP 2, Avenue Ratier, 46100 Figeac, France

AND

2. Ratier-Figeac SAS, a French company of BP 2, Avenue Ratier, 46101 Figeac, France ("Ratier")

WHEREAS

A. The Inventor is the sole inventor of certain invention(s) ("the invention(s)") described and claimed in European patent application No. EP18305466.7 filed on 16 April 2018 in the name of Ratier, ("the Patent Application")

B. The Inventor confirms that they made the invention(s) in the course of their normal duties as an employee of Ratier

C. The Inventor has agreed to assign to Ratier all such rights as they may have in the invention(s) and the Patent Application so that Ratier may enjoy the full benefit of the invention(s) and the Patent Application

NOW THEREFORE:-

1. In consideration of the sum of one pound sterling now paid by Ratier to the Inventor, receipt of which is hereby acknowledged, the Inventor HEREBY ASSIGNS to Ratier all right title and interest in and to the invention(s) in any country of the world including:

(i) The right to file applications for, and be granted, patents, utility models,

registered designs, design patents, registration of copyright or other intellectual property rights in any country of the world, in respect of the Invention(s), whether under national regional or international arrangements

(ii) The right to claim priority under any national, regional or international law or treaty from the Patent Application or from any other Application for intellectual property rights in respect of the Invention(s)

TO HOLD the same unto Ratier absolutely

2. Ratier shall have the right to file applications for and/or be granted patents, utility models, registered designs, design patents, and any other intellectual property rights in its own name or in the name of the Inventor or in such other name or names as Ratier may desire and the Inventor acknowledges that if any such applications are filed or rights granted in the name of the Inventor the same shall be held in trust by the Inventor for Ratier and shall at the request of Ratier be transferred from the Inventor to Ratier for no further consideration.

3. The Inventor hereby covenants with Ratier if and when required by Ratier to sign execute and do all such further documents acts or things as may be necessary or desirable to enable Ratier to procure and enjoy the full and exclusive benefit of the Invention(s) and of all rights therein including patents, design patents, registered designs, utility models or other intellectual property rights in any country of the world including if required the execution of further assignments by way of confirmation of this assignment and the execution of documents in connection with applications for patents, utility models, registered designs, design patents or any other intellectual property rights in the Inventor's own name in respect of the United States of America or any other country.

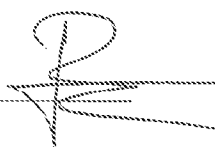

IN WITNESS WHEREOF the parties have executed these presents as of the day and year first above written.

Signed:
