ASSIGNMENT

WHEREAS, we, Jonathan A. Whitmore of 4461 Eliot St., Denver, CO, 80211, and Linda A. Hines of 11046 Tennyson Place, Westminster, CO 80031, have invented a certain new and useful invention entitled "*Metal Food Container With End Closure*" (hereinafter "Invention") for which a United States Design patent application has been prepared and filed on March 20, 2019, receiving Serial No. 29/684,335, and further identified as Attorney File No. 1604-904 (hereinafter "Application").

NOW THEREFORE, be it known that we, the said inventors, for and in consideration of certain good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, at the request of assignee do sell, assign, and transfer unto said assignee, **Ball Corporation**, (hereinafter "Assignee"), an Indiana corporation having a place of business at 10 Longs Peak Drive, Broomfield, Colorado 80021, its successors, legal representatives and assigns, the aforesaid patent applications, the invention(s) described therein and any modification and/or improvement(s) to the invention(s) thereof and all continuation, divisional, continuation-in-part, and reissue applications associated therewith; all corresponding patent applications in foreign countries; all applications for extension filed or to be filed for the invention(s), improvements and/or modifications; and all Letters Patent, Invention Registrations, Utility Models, Extensions or Reissues and other patent rights, obtained for the invention(s), improvements and/or modifications in the United States or any other country;

We also assign any right, title, and interest in and to the invention(s), improvements and/or modifications, which has not already been transferred to the assignee;

We warrant that we have made no assignment of the invention(s), application(s), and/or patent therefor to a party other than Ball Corporation, and we are under no obligation to make any assignment of the invention(s), application(s), and/or patent(s) therefor to any other party; and

We further agree to cooperate with assignee hereunder in the obtaining and sustaining of any and all such Letters Patent and in confirming assignee's exclusive ownership of the invention(s), but at the expense of said assignee.

We have reviewed and understand the contents of the application(s), including the claims thereof, which may have been amended by a preliminary amendment filed with the application(s) or which are contemplated. We affirm that the above-identified inventions and applications were made or authorized to be made by us. We acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application. We hereby acknowledge that any willful false statement regarding inventorship of these applications is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

IN WITNESS WHEREOF, each party hereto has executed this Assignment as of the date indicated hereunder.
