ASSIGNMENT

WHEREAS I/We, are the below-named inventor(s) (hereinafter referred to as Assignor(s)), of an invention entitled:

METHODS AND SYSTEMS FOR CONTENT MANAGEMENT AND TESTING

For which I/We executed an application for United States Letters Patent concurrently filed herewith or filed an application for United States Letters Patent on September 19, 2016 (Application No. 15/269,883, Confirmation No. 3047) and/or PCT International Application No. _____, filed _____ and;

WHEREAS, Grand Rounds, Inc., a corporation of Delaware whose post office address is 360 3rd Street, Suite 425, San Francisco, California 94107 (hereinafter referred to as Assignee), desires to own the entire right, title, and interest in and to this invention in all countries throughout the world, any and all application(s) for patents in any country, including any international applications filed under the Patent Cooperation Treaty (PCT) or other multinational agreement and any national stage entry applications in any country based thereon, and any and all Letters Patent to be issued upon such filed application(s) in any country;

NOW THEREFORE, be it known that, for good and valuable consideration, the receipt of which from Assignee is hereby acknowledged, I/We, as Assignor(s), hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, my/our entire right, title, interest in and to this invention in all countries throughout the world, application(s) for patents in any country, including any provisional applications, non-provisional applications, and continuation, divisional, or continuation-in-part applications that disclose the invention, any international applications filed under the Patent Cooperation Treaty (PCT) or other multinational agreement and any national stage entry applications in any country based thereon, and any and all Letters Patent, utility model patents, and certificates of invention to be issued upon such filed application(s) in any country and any extensions, restorations, renewals, or reissues thereof;

AND, I/WE HEREBY covenant that I/We have the full right to convey the interest assigned by this Assignment, and I/We have not executed and will not execute any agreement in conflict with this Assignment;

AND, I/WE HEREBY further covenant and agree that I/We will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to me/us respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors or assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.

AND, I/WE HEREBY authorize and request the attorneys empowered in the Power of Attorney in this application, to insert the filing date and application number of the above-referenced application(s) when known.

IN TESTIMONY WHEREOF, I/We have hereunto set our hands.
