WHEREAS, **KNIGHT BOAT DOCKS, LLC**, an entity organized and existing under the laws of the State of Washington, having a principal place of business at 28308 North Cedar Road, Deer Park, Washington 99006, USA;

is herein called an "ASSIGNOR", in connection with the invention entitled:

"FLOATING MARINE DOCK AND CONNECTION SYSTEM THEREFOR"

for which the following patent application(s):

| Application Type | Application Serial No. | Filing Date | Patent Serial No. |
|------------------------------|------------------------|---------------|-------------------|
| U.S. Provisional Application | 61/664,093 | June 25, 2012 | --- |
| U.S. Patent Application | 13/927,567 | June 26, 2013 | 9,206,570 |
| | | | |

was/were submitted or filed (the "LISTED APPLICATIONS");

AND WHEREAS, **KNIGHT WALL SYSTEMS** (herein called "ASSIGNEE"), an entity organized and existing under the laws of the State of Washington, having a principal place of business at:

2401 East 6th Street
Deer Park, Washington 99006
United States of America

is desirous of obtaining the entire right, title and interest in, to and under the invention and the LISTED APPLICATIONS;

NOW, THEREFORE, in consideration of contractual and other legal obligations, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the ASSIGNOR, has sold, assigned, transferred and set over, and by these presents does hereby sell, assign, transfer and set over, unto the ASSIGNEE, its successors, legal representatives and assigns, its entire right, title and interest in, to and under the invention(s) and discoveries disclosed in the LISTED APPLICATIONS, and the LISTED APPLICATIONS and all divisions, renewals, continuations and subsequent applications thereof, and all Patents of the United States which may be granted thereon and all reissues, reexaminations, and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for the invention(s) and discoveries in any country or countries foreign to the United States; together with the right to file such applications and the right to claim for the same the benefit of priority of said inventions, discoveries, and patent applications listed herein, including the LISTED APPLICATIONS and applications thereof and therefrom under The International Union for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application and applications thereof and therefrom is/are filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for said invention(s) in any country or countries foreign to the United States and all extensions, renewals

and reissues thereof; and any and all claims, causes of action, and damages for past, present, and future infringement or other unauthorized use of the above items, along with the right to sue for and to collect damages and other relief;

AND ASSIGNOR HEREBY authorizes and requests the Commissioner of Patents and Trademarks of the United States, and any official of any country or countries foreign to the United States whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument;

AND ASSIGNOR HEREBY covenants and agrees that it has full right to convey the entire interest herein assigned, and that it has not executed, and will not execute, any agreement in conflict herewith;

AND ASSIGNOR HEREBY authorizes the above-mentioned ASSIGNEE or its legal representative to insert in this instrument the filing date and serial number of said application(s) or any other information that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office or foreign equivalent for recordation of this document;

AND ASSIGNOR HEREBY further covenants and agrees that it will communicate to said ASSIGNEE, its successors, legal representatives and assigns, any facts known to it respecting said invention(s) and discoveries, and testify in any legal proceeding, sign all lawful papers, execute all continuing and subsequent applications, including divisional, reissue and foreign applications, make all rightful oaths, and generally cooperate and do everything possible to aid said ASSIGNEE, its successors, legal representatives and assigns, to obtain, maintain, and enforce proper protection for said invention(s) and discoveries in any and all countries;

AND ASSIGNOR HEREBY further agrees that this Assignment does not create any agency, employment, or partnership relationship between the parties;

AND ASSIGNOR HEREBY further agrees that should any provision of this Assignment be determined to be void, unenforceable, or against public policy, such provision may be altered in time or scope in order to give effect to such provision. If such alteration is not possible, such provision shall be deemed severed from this Assignment and the balance of this Assignment shall remain in full force and effect, so long as the original intent of this Assignment remains substantially intact.
