I, Robert Siegenthaler, residing at Untere Gstückstrasse 14, 8180 Bülach, Switzerland,

have invented a new, original, and ornamental design ("Design") that is disclosed and/or claimed in the following design application ("Application"):

International Design Application entitled "Bases for parasols", International Registration Number DM/099 889, filed 12-Feb-2018.

Glatz AG, having a place of business at Neuhofstrasse 12, CH-8500 Frauenfeld, Switzerland, on behalf of itself and its successors and assigns ("Assignee") is entitled to and is desirous of acquiring the entire and exclusive rights, title and interest in and to the Design, the Application, and all other applications and patents derived therefrom in and for the United States.

For good and valuable consideration, the receipt and sufficiency whereof are hereby acknowledged, I have sold, assigned, and transferred and by this present instrument, hereby sell, assign and transfer unto the Assignee, the full and exclusive rights, title and interest, including the right to claim priority, in and to the Design, the Application, and any and all divisions or continuations thereof, and in and to any and all Letters Patents of the United States which may issue on any such application or for the Design, including any and all reissues or extensions thereof.

I hereby authorize and request the Patent Office Officials in the United States to issue any and all of said Letters Patent, when granted, to the Assignee as the assignee of my entire right, title and interest in and to the same, for the sole use and benefit of the Assignee to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by me had this Assignment and sale not been made.
