ASSIGNMENT

I. WHEREAS, WE, Justin Dow, Residing in Monroeville, County of Allegheny, Commonwealth of Pennsylvania, and Erik Arlet, residing in Pittsburgh, County of Allegheny, Commonwealth of Pennsylvania, have invented certain new and useful improvements in Winch with Handheld Battery Powered Tensioning and Payout Unit and Method and Apparatus for Retrofitting Manual Winches, described and claimed in United States Provisional Patent Application filed April 17, 2019 and bearing the United States Patent and Trademark number 62/658,879, and United States Regular Patent Application filed April 17, 2019 and bearing the United States Patent and Trademark number 16/387,459, (herein "said applications");

II. AND, WHEREAS Dow Solutions, LLC., a corporation of Pennsylvania, having a place of business at 1005 PINE AVE, PITTSBURGH, PA 15234, hereinafter called the "assignee", is desirous of acquiring the entire right, title, and interest in and to said applications and the inventions and improvements therein disclosed.

III. NOW, THEREFORE, for good and valuable consideration paid to us by said assignee, the receipt of which is hereby acknowledged, we do hereby assign, sell, transfer, and set over unto said assignee the entire right, title and interest in and to said applications and the inventions and improvements therein disclosed for the United States and all foreign countries and all regular applications claiming the benefit of said applications, divisions, reissues, continuations, continuations-in-part, renewals, and/or extensions thereof, said assignee to have and to hold the interests herein assigned to the full ends of the terms of said regular applications claiming the benefit of said applications and said divisions, reissues, continuations, continuations-in-part, renewals, and/or extensions thereof, respectively, as fully and entirely as the same would have been held and enjoyed by us had this assignment not been made.

IV. We covenant that we are the lawful owners of the said applications, inventions and improvements, that the same are unencumbered except as the undersigned might be otherwise obligated to the assignee, that no license has been granted to make, use, or sell the said inventions or improvements or any of them, and that we have the full right to make this assignment.

V. And for the consideration aforesaid, we agree jointly and individually that we will communicate to said assignee or the representatives thereof any facts known to us respecting said inventions and improvements, and will, upon request, but without expense to us, testify in any legal proceedings, sign all lawful papers, execute all regular, divisional, reissue, continuation, continuation-in-part, renewal, and/or extension applications, make all rightful oaths, and generally do all other and further lawful acts, deemed necessary or expedient by said assignee or by counsel for said assignee, to assist or enable said assignee to obtain and enforce full benefits from the rights and interests herein assigned.

VI. I, the undersigned hereby assign my entire right, title and interest as set forth in sections I-V above.

This assignment shall be binding upon my heirs, executors, administrators, and/or assigns, and shall inure to the benefit of the heirs, executors, administrators, successors, and/or assigns, as the case may be, of said assignee.
