ASSIGNMENT

This Assignment is made BETWEEN

BJØRN BRO SØRENSEN, a Norwegian citizen of Ravnveien 3, 3128 Nøtterøy, Norway (hereinafter "the Inventor") of the first part

QUALITY INTERVENTION OPERATION AS, a Norwegian company of Sognefjordvegen 10, 6899 Balestrand, Norway, (hereinafter "the Company") of the second part

AND

QUALITY INTERVENTION TECHNOLOGY AS, a Norwegian company of Sognefjordvegen 10, 6899 Balestrand, Norway, (hereinafter "the Assignee") of the third part

WHEREAS the Inventor has made inventions (hereinafter "the Inventions") as described in United Kingdom Patent Application no. 1703297.0 filed on 1 March 2017 and International Patent Application No. PCT/EP2018/055113 filed on 1 March 2018 (hereinafter "the Applications")

WHEREAS at the time of making the Inventions the Inventor was an employee of the Company and the employer of the Inventor is entitled to certain rights under Norwegian law which are hereby claimed by the Company

WHEREAS by an Assignment dated 3 July 2018 from the Inventor to the Assignee the Inventor assigned any rights as he may have had to the Assignee

WHEREAS the Inventor, the Company and the Assignee agreed that the Applications were to be filed in the name of the Assignee and the Applications were filed in the name of the Assignee

AND WHEREAS the Inventor, the Company and the Assignee are desirous that all property right, title and interest in and to the Inventions and in the Applications including the right to claim priority therefrom and any patents and other rights issuing thereon shall be vested in the Assignee

NOW THEREFORE in consideration of the sum of 10 Norwegian Krone now paid by the Company to the Inventor, receipt of which is hereby acknowledged, the Inventor HEREBY ASSIGNS to the Company all right title and interest in and to the Inventions and in and to the Applications in any country of the world including:

- (i) The right to file applications for, and be granted, patents, utility models or other intellectual property rights in any country of the world (and including supplementary protection certificates, divisions, continuations, continuations in part, national or regional phases, reissues and extensions) in respect of the Inventions, whether under national regional or international arrangements
- (ii) The right to sue for damages and other remedies in respect of any infringement of such rights
- (iii) The right to claim priority under any national, regional or international law or treaty from any application for intellectual property rights in respect of the Inventions

AND NOW THEREFORE in consideration of the sum of 10 Norwegian Krone now paid by the Assignee to the Company, receipt of which is hereby acknowledged, the Company HEREBY ASSIGNS to the Assignee all right title and interest in and to the Inventions and in and to the Applications in any country of the world including:

- (i) The right to file applications for, and be granted, patents, utility models or other intellectual property rights in any country of the world (and including supplementary protection certificates, divisions, continuations, continuations in part, national or regional phases, reissues and extensions) in respect of the Inventions, whether under national regional or international arrangements
- (ii) The right to sue for damages and other remedies in respect of any infringement of such rights
- (iii) The right to claim priority under any national, regional or international law or treaty from any application for intellectual property rights in respect of the Inventions

TO HOLD the same unto the Assignee absolutely

AND the Inventor and the Company hereby undertake and covenant that at the expense and promptly on the request of the Assignee each of them will sign, execute and do all such documents, acts and things as may be required by the Assignee to procure and enjoy the full and exclusive benefit of the Inventions and the Applications and all patents, utility models, and other intellectual property and like rights in respect of the Inventions, whether national regional or international, in or for any country in the world
