ASSIGNMENT

For valuable consideration, we, **Bill J. Baker** of Temple Terrace, Florida; **Dennis E. Kyle** of Athens, Georgia, and **Anne-Claire D. Limon** of Tampa, Florida, hereby assign to **University of South Florida**, having a place of business at 3802 Spectrum Blvd., Suite 100, Tampa, Florida 33612, and its successors and assigns (collectively hereinafter "the Assignee"), the entire right, title, and interest throughout the world in the inventions and improvements that are subject of an application for United States Patent, entitled "**LEISHMANIA INHIBITORS**," filed July 20, 2018, and assigned U.S. Patent Application No. 62/701,383, this assignment including said application, any and all divisional, continuing, substitute, renewal, reissue and all other applications for patent that have been or shall be filed in the United States and all foreign countries on any such inventions or improvements; all original and reissued patents that have been or shall be issued in the United States and all foreign countries on such inventions or improvements; and all United States and foreign patents, utility models, and design registrations granted for any of said inventions or improvements, and the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and we authorize the Assignee to apply in all countries in our name or in its own name for patents, utility models, design registrations and like rights of exclusion and for inventors' certificates for said inventions and improvements; and we agree for ourselves and our respective heirs, legal representatives and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.
