ASSIGNMENT BY INVENTOR

THIS ASSIGNMENT, made this 29th day of June, 2018, by Steve J. Plehn (hereinafter referred to as Assignor), residing at 317 Ridge Road, JunEAU, Wisconsin 53039;

WHEREAS, Assignor has invented certain new and useful improvements in **HYBRID CORN VARIETY 66712011**, set forth in a Provisional application for Letters Patent of the United States, already filed on June 29, 2018 as U.S. Application No. 62/692,047 and U.S. Utility Application for letters patent of the United States filed on June 20, 2019 as U.S. Application No. 16/447,194; and

WHEREAS, Agrigenetics, Inc., a corporation organized under and pursuant to the laws of Delaware having its principal place of business at 9330 Zionsville Road, Indianapolis, Indiana 46268 (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said inventions and said Application for Letters Patent of the United States, and in and to any Letters Patent of the United States to be obtained therefore and thereon.

NOW, THEREFORE, for good and valuable consideration and/or the remuneration received for my/our work and/or other good and sufficient consideration, the receipt of which is hereby acknowledged, Assignors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the abovementioned inventions and application for Letters Patent, and to any and all priority applications, the right to priority, direct and indirect divisions, continuations, continuations-inpart related to said application, its right to apply for and to hold patents for the invention and any and all Letters Patent in the United States and all foreign countries which may be granted therefor and thereon or derive priority from the foregoing, and reissues, reexaminations and extensions and supplementary protection certificates of said Letters Patent, and all rights under the International Convention for the Protection of Industrial Property, and the right to recover and take all such proceedings as may be necessary for the recovery of damages in respect of any infringement of such Letter Patent whether committed before or after the date of this assignment the same to be held and enjoyed by Assignee, for its own use and benefit and the

use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignors, had this sale and assignment not been made. The Assignee hereby accepts this assignment from the Assignors.

AND for the same consideration, Assignor hereby represents and warrants to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignor is the sole and lawful owner of the entire right, title and interest in and to the said inventions and application for Letters Patent above-mentioned, and that the same are unencumbered and that Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives and assigns, that Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, with charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said inventions, or said Provisional application for Letters Patent, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said inventions in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignor hereby requests the Commissioner for Patents and Trademarks to issue said Letters Patent of the United States to Assignee, as Assignee of said inventions and the Letters Patent to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

82008-US-PSP

AND Assignor hereby grants the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:
