ASSIGNMENT AGREEMENT

VII. Assignment

Inventor agrees to assign and transfer and hereby does assign and transfer to **Assignee** the entire right, title and interest of **Inventor** in and to the **Inventions/Patent Rights**, including but not limited to ownership of (a) the **Inventions** including but not limited to all inventions comprised in the listed patent applications and/or patents; (b) the **Patent Rights** including but not limited to all listed patent applications and/or patents; (c) any and every other patent application of any kind and/or patent of any kind in any country or patent/intellectual property office relating to the subject matter of the **Inventions/Patent Rights**; (d) any and all improvements or modifications of the **Inventions/Patent Rights** made by **Inventor** alone or jointly with others; (e) any and every patent including reissue, reexamination, certificate, extension, etc. granted on any patent application relating to the **Inventions/Patent Rights**, in the United States of America and in any other country or patent/intellectual property office; (f) any and all rights under any laws, regulations, conventions, treaties, etc. relating to the **Inventions/Patent Rights** including but not limited to the right to make a claim of priority based on any patent application relating to the **Inventions/Patent Rights** and the right to apply for, obtain and enforce any patent rights/patent in any country or countries by any means in the name of **Assignee** (or any affiliate); (g) and any divisional, continuation (in whole or in part), renewal, reissue or other application for patent rights of any kind relating to the **Inventions/Patent Rights** or improvements or modifications of the **Inventions/Patent Rights**.

Inventor agrees to assign and transfer and hereby assigns and transfers to **Assignee** the entire right, title and interest of **Inventor** in and to any and all other intellectual property rights relating to the **Inventions/Patent Rights**, including but not limited to any other rights under patent law relating to inventions, rights under copyright law relating to copyrightable works (such as drawings, documents or other materials), rights under laws relating to designs, rights under laws relating to utility models, rights under laws relating to proprietary information (including but not limited to the Uniform Trade Secrets Act), and rights under any applicable laws and treaties/conventions relating to intellectual property rights/ownership, in any country and in any patent/intellectual property office.

Inventor agrees and acknowledges that **Assignee** shall be sole and exclusive owner of the entire right, title and interest of **Inventor** in and to the **Inventions/Patent Rights** and to any other intellectual property rights relating to the **Assignee/Applicant**. **Inventor** agrees that right, title and interest in the **Inventions/Patent Rights** will be held and enjoyed fully and exclusively by **Assignee** without restriction (no less fully and exclusively as would have been held by **Inventor** had no assignment and transfer been made by **Inventor**).

VIII. Authorization/Power of Attorney

The **Assignee/Applicant** may be represented by the law department functioning on behalf of Yanfeng Global Automotive Interior Systems Co. Ltd. (referred to as the **YFAI Law Department**). For purposes of the present Agreement (a) the term **General Counsel** will mean the corporate counsel holding the title of "**General Counsel**" (or equivalent title/position) with the **YFAI Law Department**; (b) the term **IP Manager** will mean an employee holding the title of "Manager, IP Operations" or "Manager, Intellectual Property" or "Manager of IP" or "IP Manager" or other equivalent manager title/role responsible for IP within the **YFAI Law Department** and/or the **YFAI Advanced Product Development and Sales (APDS) Department**.

Inventor appoints and authorizes the **General Counsel** and the **IP Manager** of the **YFAI Law Department** to act with power of attorney for all business purposes relating to transactions and proceedings of any kind with any patent/intellectual property office and any ancillary activities (including but not limited to interactions and transactions with inventors, agents, etc. and under the Patent Cooperation Treaty) relating to the **Inventions/Patent Rights**; such appointment and authorization of the **General Counsel** and **IP Manager** shall include the general grant of power of attorney (or equivalent authorization effective in any patent/intellectual property office) for the **Inventions/Patent Rights**; the **General Counsel** and **IP Manager** may delegate authorization (including power of attorney) to other managers and directors of any affiliate of **YFAI** and to outside service providers for **YFAI** (and affiliates) including but not limited to agents/attorneys to represent and appear as representative/correspondent of the **Inventor/Applicant** (and any affiliate) in or before any patent/intellectual property office on any matter relating to the **Inventions/Patent Rights**.

ASSIGNMENT AGREEMENT

Inventor authorizes and agrees that any patent application that has been or may be filed relating to the **Inventions/Patent Rights** will name **Assignee** (or an affiliate designated by **Assignee**) as **Applicant**. Inventor authorizes and agrees that **Assignee** (by authorized representative including but not limited to any manager acting on behalf of **Assignee** (or any affiliate) for intellectual property matters) as **Applicant** may designate and authorize an agent/attorney to act as correspondent/representative of **Assignee** (by power of attorney or equivalent authority) for any patent application that has been or may be filed relating to the **Inventions/Patent Rights**. Inventor authorizes and requests that any patent that may be granted on the **Inventions/Patent Rights** will issue to and in the name of **Assignee** (or affiliate designated by **Assignee**) as **Applicant**.

IX. Consent/Cooperation

Inventor agrees and consents that a copy of this Agreement will be deemed a proper legal and functional equivalent of any document that may be required in any country or patent/intellectual property office for any purpose in relation to ownership and control of the **Inventions/Patent Rights**, including but not limited to establishing proof of the right of **Assignee** (including any affiliate) as **Applicant** to file and prosecute any patent application and/or to claim the benefit of priority under any law, treaty, convention, etc. This Agreement may be signed in separate counterparts by each **Inventor** with each counterpart to be combined (i.e. to form a single document) and/or may be supplemented with applicable application/patent information (e.g. title, numbers, dates, etc.); this Agreement (including as combined and/or supplemented) may be used by **Assignee** (and any affiliates) for any and all purposes in relation to the **Inventions/Patent Rights**, including but not limited to filing/recordation with any patent/intellectual property office.

Inventor (including any and every heir, executor and administrator of the **Inventor**) agrees (a) to execute and deliver to **Assignee** (or any affiliates) without further consideration any applications, agreements or other materials; (b) to cooperate with **Assignee** in the procurement, maintenance and enforcement of rights relating to the **Inventions/Patent Rights**; and (c) to perform on behalf of **Assignee** any lawful acts that may be deemed necessary or appropriate by **Assignee** to obtain, maintain and enforce the rights of **Assignee** in the **Inventions/Patent Rights**.

X. Translation of Agreement

In the event that this Agreement is translated into any other language and there is a discrepancy between the English-language version and the translation of the Agreement, the English-language version shall control.
