ASSIGNMENT

WHEREAS Richard Raymond May, an individual residing at 1526 Reverdy Oaks Drive, Matthews, NC 28105 (hereinafter referred to as "ASSIGNOR") is the inventor of the invention described in an application for a Patent of the United States

- which is executed on even date herewith or
- which was filed November 30, 2005, Application No. 11/291,465

AND WHEREAS ICAP Services North America LLC, an entity established under Delaware law and located at Harborside Financial Center, 1100 Plaza 5, Jersey City, NJ 07311 (hereinafter referred to as "ASSIGNEE") is desirous of owning the entire right, title and interest in, to and under the said invention and the said application:

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) in hand paid, and other good and valuable consideration, the receipt of which is hereby acknowledged, the said ASSIGNOR has sold, assigned, transferred and set over, and by these presents does hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, the ASSIGNOR's entire right, title and interest in, to and under the said invention, and the said United States application and all divisions, renewals and continuations thereof, and all Patents of the United States which may be granted thereon and all reissues and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may be pending or hereafter be filed for said invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said United States application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof;

AND THE SAID ASSIGNOR DOES HEREBY authorize and request the Commissioner for Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND THE SAID ASSIGNOR DOES HEREBY covenant and agree that he has full right to convey the entire interest herein assigned, and that it has not executed, and will not execute, any agreement in conflict herewith.

AND THE SAID ASSIGNOR DOES HEREBY further covenant and agree that he will communicate to the said ASSIGNEE, its successors, legal representatives and assigns, any facts known to him respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue and foreign applications, make all rightful oaths, and generally do everything possible to aid the said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper protection for said invention in all countries.

IN TESTIMONY WHEREOF, I hereunto set my hand and seal this 14 day of February, 2006.

Richard Raymond May L.S.

State of NC)
County of Mecklenburg) SS.:

On February 14, 2006, before me, Suzanne Weston, Notary Public, personally appeared Richard R May, personally known to me on the basis of satisfactory evidence to be the person whose name is subscribed to the within instrument and acknowledged to me that he/she executed the same in his/her authorized capacity, and that by his/her signature on the instrument the person, or the entity upon behalf of which the person acted, executed the instrument.
