ASSIGNMENT AND DECLARATION

WHEREAS I/We, the below named inventor(s) (hereinafter referred to as Assignor(s)) have made an invention entitled:

ELECTRIC MOTORCYCLE

for which I/We executed an application for United States Letters Patent concurrently herewith or filed an application for United States Letters Patent on _____ (Application No. _____); and

WHEREAS, Segway Inc., a corporation of United States whose post office address is 14 Technology Drive, Bedford, NH 03110 (hereinafter referred to as Assignee), is desirous of securing the entire right, title, and interest in and to this invention in all countries throughout the world, and in and to the application for United States Letters Patent on this invention and the Letters Patent to be issued upon this application;

NOW THEREFORE, be it known that, for good and valuable consideration the receipt of which from Assignee is hereby acknowledged, I/We, as Assignor(s), have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, my/our entire right, title, and interest in and to this invention, provisional Application No. _____, filed _____ (if any), and this application, and all divisions, and continuations thereof, and all Letters Patent of the United States which may be granted thereon, and all reissues thereof, and all rights to claim priority on the basis of the above provisional application (if any), as well as all rights to claim priority on the basis of this application, and all applications for Letters Patent which may hereafter be filed for this invention in any foreign country and all Letters Patent which may be granted on this invention in any foreign country, and all extensions, renewals, and reissues thereof; and I/We hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, I/WE HEREBY covenant that I/We have the full right to convey the interest assigned by this Assignment, and I/We have not executed and will not execute any agreement in conflict with this Assignment;

AND, I/WE HEREBY further covenant and agree that I/We will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to me/us respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors or assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.

AND, I/WE HEREBY authorize and request the attorneys I/we have empowered in the Declaration and Power of Attorney in this application, to insert here in parentheses (Application No. _____, filed _____) the filing date and application number of said application when known.

Further, as a below named inventor, I hereby declare that:

This declaration is directed to the application attached hereto or United States application or PCT international application number _____ filed on _____.
If the application is not attached hereto, the application is as identified above or by the attorney docket number as set forth above and/or the following.

The above-identified application was made or authorized to be made by me.

I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

I have reviewed and understand the contents of the above-identified application, including the claims.

I acknowledge the duty to disclose information which is material to patentability as defined in Title 37, Code of Federal Regulations § 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT International filing date of the continuation-in-part application.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. § 1001 by fine or imprisonment of not more than five (5) years, or both.

IN TESTIMONY WHEREOF, I/We have hereunto set our hands.

**SEGWAY CONFIDENTIAL INFORMATION, PROPRIETARY RIGHTS,
AND NON-COMPETITION AGREEMENT**

THIS AGREEMENT (the "Agreement"), dated 01/08, 2003, is
by and among SEGWAY INC., a Delaware corporation with its principal place of
business at 14 Technology, Bedford, New Hampshire 03110, (collectively the
"Company"), and the undersigned individual (the "Employee").

2. PROPRIETARY RIGHTS.

2.1 Work Product. All inventions, developments and discoveries, whether or not patentable or copyrightable, which Employee may conceive or make, either alone or in conjunction with others, while employed by the Company, relating or pertaining to or connected with any of the matters which have been the subject matter of the work of the Employee performed for the Company or assigned to him or her by the Company, or which relate or pertain (directly or indirectly) to the Business of the Company at the time the invention or discovery is conceived, or which are developed with equipment or funds of the Company, shall be the sole and exclusive property of the Company. Employee shall, without further compensation or consideration, but at the Company's expense, (i) whenever requested to do so by the Company, promptly execute and assign any and all applications, registrations, assignments and other instruments which the Company shall deem necessary in order to assign and convey to the Company, or to the Company's nominee, the sole and exclusive right, title and interest in and to said inventions, discoveries, and copyrightable subject matter, and any applications, registrations or patents thereon, (ii) as soon as known or possessed by Employee, promptly disclose to the Company all information with respect to said inventions, discoveries and copyrightable subject matter, and (iii) whenever requested to do so by the Company, deliver to the Company evidence for interference purposes or other legal proceedings and testify in any interference or other legal proceedings. Without limiting the foregoing, Employee agrees that all rights, including without limitation copyright, in any product, software (including source code, object code, models and algorithms), reports, surveys, marketing, promotional and collateral materials prepared by Employee in connection with his or her employment by the Company, or otherwise for the Company (hereinafter

the "Work") vest in the Company. The parties expressly acknowledge that the Work was specially ordered or commissioned by the Company, and further agree that it shall be considered a "Work Made for Hire" within the meaning of the patent and copyright laws of the United States, and that the Company is entitled, as author, to the copyright and all other rights therein, throughout the world, including, but not limited to, the right to make such changes therein and such uses thereof, as it may determine in its sole and absolute discretion. If for any reason the Work is not considered a Work Made for Hire under applicable law, then Employee grants and assigns to the Company, its successors and assigns, all of his or her rights, title, and interest in and to such Work, including, but not limited to, the patent or copyright therein throughout the world (and any renewal, extension or reversion copyright now or hereafter provided), and all other rights therein of any nature whatsoever, whether now known or hereafter devised, including, but not limited to, the right to make such changes therein, and such uses thereof, as the Company may determine in its sole and absolute discretion.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of the date first set forth above.
