ASSIGNMENT BETWEEN ENTITIES

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, PumpNDO, LLC, 8466 E. Hawley, Hesperia, Michigan 49421 ("Assignor"), hereby assigns to Bravado Holding AG, Rigistrasse 1, Postfach 7516 Zug, CH-6102 Switzerland ("Assignee"), its successors and assigns, the entire right, title and interest in (expired) United States provisional application 62/314,454, United States letters patent 9,894,942 B2, "TUNNEL SUPPORT ACCESSORY FOR A BREAST PUMPING SYSTEM", and in any reissue or extension thereof (singly and collectively, "the Patent Rights"). Assignor further conveys, transfers, and assigns to Assignee all of the Assignor's right(s), privilege(s) and interest(s) to bring suit, claim, and retain any damages or other remedies for infringement (including past infringement) of any of the applications or patents described above.

The Assignor further assigns to Assignee the right to claim priority to any and all patent applications and patents listed or described above.

The Assignor warrants itself to be the owner of the interest herein assigned and to have the right to make this assignment and further warrant that there are no outstanding prior assignments, licenses, or other rights in the interest herein assigned except in favor of Assignee.

The Assignor further warrants that no continuations, divisionals, continuations-in-part, or foreign counterpart applications have been filed based on the Patent Rights.

For said consideration the Assignor hereby agrees, upon the request and at the expense of said Assignee, its successors and assigns, to employ reasonable efforts to have its present and former employees, officers, or agents execute any and all documents that may be required to maintain or enforce the above-identified Patent Rights, and any necessary oath or affidavit relating thereto, and any application for the reissue or extension of any letters patent that may be granted upon any and all of said patents, that said Assignee, its successors or assigns, may deem necessary or expedient, and for said consideration the undersigned further agree upon the request of said Assignee, its successors or assigns, in the event of any application or letters patent assigned herein becoming involved in Interference, Derivation Proceeding, Post-Grant Review, Inter Partes Review, or Opposition, to employ reasonable efforts to have its employees, officers, or agents cooperate to the best of their ability with said Assignee, its successors or assigns, in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof, the undersigned hereby agreeing to perform, upon request, any and all affirmative acts to maintain said letters patent in the United States, and vest all rights therein hereby conveyed in said Assignee, its successors and assigns, whereby said letters patent will be held and enjoyed by said Assignee, its successors and assigns, to the full end of the term for which said letters patent may be granted as fully and entirely as the same would have been held and enjoyed by the Assignor if this assignment and sale had not been made.

The parties hereto agree and consent to the recordation of this Assignment with the United States Patent & Trademark Office and with any other State or Federal agency or tribunal that Assignee, its successors, assigns, or creditors, may find recordation necessary or expedient.
