ASSIGNMENT

Pursuant to my obligation to Herman Miller, Inc. (hereinafter referred to as "Assignee") having its principal place of business at:

855 E. Main Ave.  
Zeeland, MI 49464

and for other valuable and sufficient consideration, receipt whereof is hereby acknowledged, I:

Richard Holbrook  
50 Central Court  
Pasadena, CA 91103

confirm my obligation to and hereby sell, assign and convey, unto Assignee, its successors and assigns, my entire right, title and interest -

(1) in and to inventions described in a patent application titled "WORKSTATION" for which we filed United States Patent Application No. 16/006,118 filed June 12, 2018 (Atty. File No. 208658-0762-US02) (hereinafter the "U.S. utility patent application"), which claims the benefit of United States Provisional Patent Application No. 62/518,079, filed June 12, 2017 (hereinafter the "U.S. provisional patent application");

(2) in and to the U.S. utility and provisional patent applications, in and to all other patent applications (including non-provisional, divisional, continuation, continuation-in-part, and reissue applications) based upon said inventions, and in and to the patent or patents to be granted thereon, to the full end of the term or terms for which said patent or patents may be granted;

(3) in and to all patent applications on said inventions now or hereafter filed in countries foreign to the United States of America, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted; and

(4) under the International Convention in respect to the U.S. utility and provisional patent application and agree that any domestic patent applications and patent applications of any foreign countries which may be filed shall be filed in the name of the Assignee with a claim to priority based on the U.S. provisional patent application.

I hereby agree that I will, upon demand of Assignee, its successors or assigns, and without further consideration to myself, execute any and all papers that may be necessary, or

deemed by Assignee, its successors or assigns, to be necessary, to a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by me.

The Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue said patent or patents to Assignee.

09 03 2019
