PATENT ASSIGNMENT

WHEREAS, NXT-ID, INC., a corporation duly organized under the laws of the State of Delaware, and having an address of 1627 US Highway 1, Suite 206, Sebastian, FL 32958, (“Assignor”) owns certain rights, title, and interest in and to the patents and patent applications listed in Exhibit A attached hereto (the “Patents”), and any inventions claimed therein; and

WHEREAS, FIT PAY, INC, a corporation duly organized under the laws of the Delaware, and having its principal place of business at 5650 El Camino Real, Suite 205, Carlsbad, CA 92008,, (“Assignee”) desires to own Assignor’s entire right, title, and interest in and to the Patent and inventions claimed therein, in all countries throughout the world.

NOW, THEREFORE, be it known that, for good and valuable consideration, receipt of which is hereby acknowledged, Assignor has sold, assigned and transferred, and by these presents does hereby sell, assign, transfer, and set over to Assignee, its lawful successors and assigns, Assignor’s entire right, title, and interest in and to the Patents, including without limitation, the Patents, the inventions claimed therein, and any other patent applications directed to the inventions, and all Letters Patents of the United States that may be granted thereon, and all reissues, re-examinations, and extensions thereof; and all rights to claim priority on the basis of such applications, and all applications for Letters Patents that may be filed for the inventions in any country and all Letters Patents that may be granted on the inventions in any country, and all divisions, continuations, continuations-in-part, reissues, re-examinations, renewals, and extensions thereof; and Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States and any official of any country whose duty it is to issue patents on applications as described above, to issue all Letters Patents for these inventions to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, ASSIGNOR HEREBY further covenants and agrees that Assignor, through its officers and employees, will, without further consideration, communicate with Assignee, its successors and assigns, any fact known to Assignor and its officers and employees respecting the Patents and any

inventions claimed therein and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver all papers that may be necessary or desirable to perfect the title of the inventions in said Assignee, its successors and assigns, execute all divisional, continuation, and reissue applications, to make all rightful oaths, and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for the Patents and any inventions claimed therein in the United States and any country, it being understood that any expense incident to the execution of such papers shall be borne by Assignee, its successors and assigns.

EXECUTED this 9th day of September, 2019.
